

Applicants with Higher Education Study

Applicants with Higher Education Study are those whose highest level of study since leaving secondary education is a higher education course, such as a university degree or university-level Diploma. This includes applicants who have completed a higher education course, those who are currently studying a higher education course at another education provider and want to transfer to ECC, or those who are currently studying a higher education course at ECC but wish to change course.

Completion in part (minimum 4 units) or whole, of a higher education course will satisfy the broad academic requirements for entry into an ECC Diploma; but separate evidence of English proficiency, and/or evidence of course-specific pre-requisites might also be required.

ECC may recognise partial completion of a qualification under the principles of Recognition of Prior Learning (RPL). Originals or certified copies of academic transcripts, unit outlines and supporting documentation are required prior to processing.

	Completed only Year 11	Completed only Year 12	Completed AQF 5 Equivalent Units
Diploma (Year 1) 8 units (120 credit points)	<i>No advanced standing</i>	<i>Up to 8 units (120 credit points) advanced standing</i>	<i>8 units (120 credit points) advanced standing</i>
Diploma (Year 2) 8 units (120 credit points)	<i>No advanced standing</i>	<i>No advanced standing</i>	<i>Up to 4 units (60 credit points) advanced standing</i>

Confirmation of exemptions will accompany the Letter of Offer Package. For further information see:

- *Recognition of Prior Learning (RPL) Policy:* www.edithcowancollege.edu.au/policies
- *Application for Exemption Form:* <https://www.edithcowancollege.edu.au/documents-and-forms>

ECC teaches two bridging/enabling programs in its ELICOS and Post-graduate Qualifying Program (PQP). ELICOS is designed to satisfy ECC's English proficiency requirements; whilst PQP can be used to satisfy the academic and English proficiency requirements for entry into a number of ECU Masters programs.
