

Applicants with Overseas Qualifications

To ensure students have the best chance of success, all applicants are required to provide evidence of academic background and English language proficiency prior to commencing a course. ECC welcomes applicants with both domestic and equivalent international qualifications.

Academic Entry Requirements and (in some courses) Special Entry Requirements are set out at: <https://www.edithcowancollege.edu.au/admissions-requirements>

Academic background is benchmarked against the Australian Qualifications Framework (AQF) and international databases such as the Australian International Education (AEI) Country Education Profiles (CEP) and our partner university (Edith Cowan University).
