

Study at

Edith Cowan College

Your Pathway to ECU

ECU is Australia's top public university for undergraduate teaching quality. This ranking has been achieved for five years running through the government's independent QILT survey.

Your future starts here

- Edith Cowan College (ECC) provides pathway programs to Edith Cowan University (ECU), delivering a range of programs designed to provide a high quality education so that you are university-ready.
- ECC students receive individual attention from their lecturers in smaller classes than the university, with access to high quality English language programs and additional free study support programs. ECC is located on ECU campuses, providing students with access to the university's state-of-the-art facilities including biology labs, computer labs, engineering labs, lecture rooms and library.
- ECC has embedded employability and English language skills within its programs so that you can reach your potential and 'get that job'. This ensures that graduates are well prepared and attractive to employers by standing out from other students.
- ECC is focused on maximising your student experience with a range of social programs to help you make lifelong friends and enjoy studying at ECC.
- Read on to find out more about studying at ECC.

Welcome

Message from ECC's College Director and Principal

I am delighted to welcome you to Edith Cowan College (ECC). At ECC we are passionate about your education and in supporting you to be successful.

We pride ourselves in our high-quality university pathway programs, providing fast-track Diploma courses in many discipline areas, and in our exceptional English language courses, allowing you to start your degree with confidence. ECC is a great starting point to ensuring that you have a successful and smooth transition to Edith Cowan University (ECU) and an enjoyable and quality learning experience.

Whether you want to get into ECU but didn't get the required entrance score you needed, or you would like to study in an environment where small classes with a high level of student-to-teacher interaction will give you the academic support you need, we have a wide range of options to get you on the right path.

As an ECC student, you will be taught using the University's curriculum and facilities and you will have access to ECU's library, social clubs, and student support facilities.

We are proudly multicultural and welcome students from all over the world. Our highly skilled teaching staff incorporate teaching approaches that cater to all students and our friendly and supportive staff are here to help you on your educational journey.

I invite you to join us at Edith Cowan College and I look forward to personally welcoming you soon.

Amanda Peterson
College Director and Principal - Edith Cowan College

Message from ECU's Vice-Chancellor and President

Whether you're an Australian or international student, you'll benefit from ECU's long and successful partnership with ECC through our established academic and English entry pathways.

ECU provides the ideal learning environment for people who want to make a difference in the world. Our industry-relevant courses, supportive study environment and world-class facilities enable ECU students to become truly world ready.

ECU courses are developed in consultation with industry, and teaching staff have extensive industry experience and networks. It's why ECU students can expect placement opportunities, fieldwork, practicums and networking events as part of their studies.

This approach has been recognised through 5-star ratings for teaching quality for fourteen years in a row in the *Good Universities Guide*.

I hope your pathway studies are successful and satisfying and I look forward to welcoming you to ECU in the future.

Professor Steve Chapman CBE
ECU Vice-Chancellor and President

Your pathway to a degree from Edith Cowan University

ECC provides alternative pathways to ECU for students who may not qualify for direct entry into a degree program and are looking for a supportive learning environment. For over 25 years, ECC have successfully bridged the academic and English gap for over 9,900 students to help them achieve their goal of becoming an ECU graduate and improving their employment prospects.

YOUR BACHELOR DEGREE[^]

YOUR MASTER DEGREE

Edith Cowan College

Edith Cowan University

* Not all Diplomas lead directly into Year 2 at ECU.
[^] Some bachelor degree programs are more than three years duration.

Why choose ECU?

ECU is Western Australia's youngest university and one of the world's best young universities under 50 years old. But being young hasn't stopped us from being good at what we do – teaching students to be world ready.

For an amazing 14 years in a row, we've been rated 5-stars by our graduates for teaching quality. (Good Universities Guide, 2008-2021). We've also been ranked Australia's best public university for undergraduate teaching quality and skills development for 5 straight years (QILT survey 2016-2020).

Learn from the best

Our high-calibre staff have extensive experience as researchers, teachers, advisers or consultants and have significant professional experience in their field. So, as a student you can expect to gain the knowledge, skills, confidence and even contacts you'll need to make your way in the big wide world.

Supportive learning environment

ECU is Australia's top public university for undergraduate teaching quality. Counsellors and academic skills advisers help you get the most out of your education.

Industry links

Having direct links with industry and organisations provides you with hands-on experience while you're studying.

International opportunities

You can travel the world while you study by taking advantage of our range of exchange programs, study tours or international work experience placements.

Internationally recognised

ECU degrees are internationally recognised and many of our courses are professionally-accredited by national and international organisations.

Outstanding facilities

ECU's modern and innovative facilities are among the best of any university in the world, such as our new Science Super-labs, Cyber Security Operations Centre, SMART lab, Law Moot Court, design, photography and media studios, engineering labs and much more!

Multicultural campuses

ECU has over 30,000 undergraduate and postgraduate students, with around 6,000 international students joining us every year from more than 100 countries.

Students span across ECU's range of campuses from Joondalup and Mount Lawley campuses, and some courses are also taught at our South West Campus near Bunbury. In 2025, we're opening an exciting new campus in the middle of Perth City.

Practical Learning

Your learning extends beyond the classroom via practicums, work integrated learning and internships.

Great choice of courses

From the scientific to the business-minded to the creative, there's something for everyone at ECU. In fact, there are around 250 courses for undergraduate and postgraduate students across our eight Schools including:

- Arts & Humanities
- Business & Law
- Education
- Engineering
- Medical & Health Sciences
- Nursing & Midwifery
- Science
- WAAPA

Schools are split between our Joondalup and Mount Lawley campuses and some courses are also taught at our South West Campus near Bunbury. In 2025, we're opening a super exciting new campus in the middle of Perth city.

ECC Campuses

We are located over two campuses in beautiful Western Australia. All of our campuses can be accessed conveniently via public transport.

Joondalup Campus West

ECU's spacious and modern main campus is in Joondalup, 25km north of Perth. Joondalup is a busy neighbourhood and home of Lakeside Joondalup Shopping Centre. The Joondalup Campus is connected to the train station and other key places by the free Central Area Transit (CAT) bus network.

ECU's diploma and PQP programs are taught on Joondalup Campus West.

25 mins  ECC Joondalup Campus West from Perth city by train

Mount Lawley Campus

ECU's boutique campus is located in the thriving cultural hub of Mount Lawley, 4.5km from the centre of Perth. The Mount Lawley Campus offers courses in creative arts, media, communications, design and performing arts, and offers an inspiring and buzzing artistic vibe.

ECU's Academic English Program (AEP) is taught on ECU's Mount Lawley Campus.

15 mins  ECC Mount Lawley Campus from Perth city by bus

ECC is **your pathway to** Edith Cowan University

ECC is a modern and dynamic educational institution providing high-quality programs in a supportive learning environment that encourages students to achieve excellence in their studies.

Why choose ECC?

Broad range of programs

ECC offers a diverse range of programs including ELICOS and pathway programs leading into undergraduate and postgraduate degrees at ECU with advance standing.

Deciding on your preferred course of study is an exciting challenge. ECC offers a broad range of diploma programs in the fields of Commerce, Communications and Creative Industries, Hotel Management, Science (Computing/ IT), Science (Engineering Studies) and Science (Health Studies).

Gain direct entry to ECU

ECC's Diploma (Year 2) is based on first year units of the equivalent ECU bachelor degree programs. As our Diploma (Year 2) programs are quality assured by ECU, you can be confident that your program is of the highest quality. Students who successfully complete Diploma (Year 2) are eligible for direct entry into the second year of the respective bachelor degree at ECU.*

One visa for all your studies

As an ECC student, you can apply for a single visa to cover the duration of your studies. Under this visa you can package your ECC program, your degree at ECU and your English language program (if required).

Flexible trimester (three semester) system

Through ECC's innovative trimester system, you can fast-track your studies and complete a one year program in only eight months. Part-time enrolment options are also available to Australian students.

More individualised classroom interaction

Lecture groups have a maximum of 50 students, although most classes average between 25 and 35 students. Lectures are complemented by group tutorials and workshops, ensuring you receive a high level of attention from your lecturers.

Supportive learning

ECC provides more face-to-face contact and more individual support to students than the typical university model. Students are given easy-to-follow instructions for online activities that help them prepare for their class each week. Classes provide opportunities for the teacher to clarify the key concepts and for students to study together through collaborative learning tasks. Classes run from Monday to Friday each week with students joining online or on campus according to their location.

Study accredited programs

ECC is registered by the Tertiary Education Quality and Standards Agency (TEQSA) which is Australia's regulatory and quality agency for higher education. ECC's listing on the National Register confirms its compliance with the Higher Education Standards Framework (HESF).

Located on ECU campuses

ECC is located on the Joondalup Campus West of Edith Cowan University. The Campus is 15 minutes walk from the Joondalup train station. A free bus service is also available to take you directly to the campus. ECC's diploma and PQP programs are taught on Joondalup Campus West. ECC's Academic English Program (AEP) is taught on ECU's Mount Lawley Campus.

Access to ECU facilities

While studying at ECC, students have access to Elab, library, social clubs, sports centre etc. on any of the ECU campuses.

Diploma (Year 1)

The Diploma (Year 1) provides students with the underpinning knowledge necessary to prepare them for studies at university level. Diploma (Year 1) provides opportunities for scaffolded learning and the development of core academic and employability skills.

Students who have successfully completed Year 11 or equivalent, are eligible to enter this program. On successful completion of the Diploma (Year 1) students will be eligible for entry into the relevant Diploma (Year 2) program.

Diploma (Year 2)

ECC's Diplomas (Year 2) are equivalent to the first year of an ECU degree program. Units are designed, delivered and moderated by qualified university lecturers on ECU's campus, in smaller classes and with longer teaching sessions. Upon successful completion of ECC's Diploma (Year 2), students are eligible for entry into the second year of the related ECU degree program.*

Post-Graduate Qualifying Program (PQP)

The Post-Graduate Qualifying Program (PQP) is a one semester non-award program designed to lead students into Edith Cowan University (ECU) masters degrees. The program is designed for students who already have a tertiary qualification but have not qualified for direct entry into selected ECU masters degrees in the School of Arts and Humanities, the School of Business and Law or the School of Science (Computing & Security).

English language programs

ECC offers the Academic English Program (AEP) which is designed for students who plan to study at an Australian University or who are interested in developing academic reading, writing, listening and communication skills.

Assessment

Methods of assessment may differ depending on the program and subjects you choose. Most subjects will be assessed through a combination of written examinations and assignments, essays, oral presentations, seminars, user-generated content (eg. blogs, wikis) and tutorial participation. Some coursework will include group-based projects and practical workshop or lab activities.

For each unit, students receive an outline that includes unit content, assessments and due dates for the completion of assignments. Students are prepared for ECU by learning the same referencing systems, academic integrity rules, academic writing skills and penalties for late submission. Attending all classes is essential in order to be successful at ECC.

Your student life on campus

At ECC we recognise the importance of meeting our students' personal and academic needs. To achieve this priority, we have outlined the services and programs offered to all students to make your journey as enjoyable and successful as possible.

Orientation program

A comprehensive orientation program is provided for all new students before the start of each study period. It includes:

- interactive campus tour where you have the opportunity to make new friends from different nationalities
- meetings with staff and student leaders
- assistance with unit selection and course advice
- ECC email account, Moodle Learning Management System (LMS) and internet access with free WiFi
- transport information
- text book and online resources
- information about OSHC membership
- participation in Steps-to-Success workshop to set you up for academic success
- information on accessing the Student Handbook, Student e-café (support information), ECC website and student portal

Academic support

Each study period, Academic Program Coordinators are available to help students who need additional English language, study or computer support while undertaking an ECC program. Learning support sessions and online resources will help you improve your study skills, time management, exam preparation and referencing skills.

Student portal

ECC's student portal is a web-based resource developed to assist ECC students during their studies. It contains important information such as unit outlines, course materials, examination timetables and results, re-enrolment details, e-café (study support resources), student news and reminders. The ECC student portal can be accessed at edithcowancollege.edu.au

Student safety and wellbeing

At ECC we understand that the transition to university level study can be challenging for some students. This may be due to homesickness or unexpected problems of an academic or personal nature. A range of support services are available to you during your studies at ECC.

ECC's Student Counsellor provides free and confidential counselling services to currently enrolled students who are experiencing difficulties that may impact on their ability to study.

ECC students also have access to ECU's NowForce app to allow students to seek emergency assistance any time, any where. For more information see edithcowancollege.edu.au/student-services.

Social activities

ECC have a number of locations on campus where students can socialise with their classmates. Popular areas include the Student Hub, chill-out zone and the table tennis area. Student barbeques and social gatherings also take place throughout the year.

Medical services

As a condition of a Student Visa, international students must purchase and maintain Overseas Student Health Cover (OSHC) while studying in Australia. OSHC fees paid to ECC will be transferred directly to our preferred provider.

As well as ECU's on-campus medical service, international students covered by OSHC have access to 24 hour toll-free telephone emergency services, which includes medical, legal and interpreting services.

OSHC does not cover any medical condition that is pre-existing before you enter Australia.

Pearson test centre

ECC is an official Pearson Select Test Centre, offering PTE (English) and general VUE exams. The test centre is based on Joondalup Campus West and tests are scheduled Monday to Saturday with up to 12 test sessions available per week. For more information, visit edithcowancollege.edu.au/pte-academic-pearson

24-hour emergency contacts

- ECU Security: 08 6304 3333
- Fire/police/ambulance: 000 (emergency only)
- Police communications: 13 14 44 (not for emergencies)
- Lifeline 13 11 14

Arrival & Accommodation

There are several accommodation options available while you study at ECC. You should start planning your accommodation at least six to eight weeks before arriving in Australia.

Airport pick-up and transfer

To assist you with your arrival in Perth, ECC provides a free airport reception service for new students studying English followed by an ECC pathway program or students directly entering an ECC pathway program.

ECC utilises two companies to arrange airport reception for students - Perth Student Accommodation (PSA) or Australian Homestay Network (AHN). If you would like to be met at the airport and taken to your accommodation, please complete the application form available on the website of the company you wish to use as soon as you have your flight details.

perthstudentaccommodation.com

ahnhomestay.com

Students under 18 years of age

As well as meeting all requirements for a student visa, if you are under 18 years of age, ECC must approve all your welfare and accommodation arrangements.

If you are younger than 18 and plan to stay with a friend or a relative outside your immediate family, you must receive permission to do so from your parents and ECC. If you do not have a friend or relative to stay with while at ECC, we recommend homestay or on-campus accommodation.

Homestay

Homestays are a popular accommodation option for overseas students as it gives you the opportunity to live with an Australian family while you study. Each homestay host has been screened to provide safe, good-quality facilities and meals in a friendly environment. Homestay allows you to live, relax and study in comfort and security, while also improving your English language skills.

Example of weekly living costs

Expense	Approximate cost per week (A\$)
Homestay	\$235–\$325
On-campus accommodation	From \$226 (plus utilities and meals)
Shared accommodation (off-campus)	\$165–\$440 (plus utilities and meals)
Groceries and eating out	\$80–\$280
Gas, electricity	\$35–\$140
Phone and Internet	\$20–\$55
Public transport	\$15–\$55
Entertainment	\$80–\$150

Your budget for living expenses will depend on the type of lifestyle and accommodation you choose. To cover weekly expenses, a single student needs a minimum of A\$21,041 each year to cover living costs. For further information please see studyinaustralia.gov.au

For more information on each of the accommodations options and alternative providers visit: edithcowancollege.edu.au/accommodation

On-campus accommodation

ECC students have access to on-campus accommodation at the ECU Mount Lawley and Joondalup Student Villages which features five-bedroom apartments just a short walk from the university. The apartments are modern and fully furnished with private bedrooms, bathrooms, large kitchen and lounge areas, so students will have plenty of space to hang out with friends. On-site facilities include a pool, café, sound lounge, e-library, study zones and shared laundry.

See mystudentvillage.com/au/ecuvillage

Off-campus accommodation

Off-campus options include house/flat rentals or hostels. Costs vary considerably depending on the size, quality and location of the accommodation. Renting normally requires a contract of 6-12 months and one month's rent in advance, as well as a refundable deposit (bond) to cover any damage to the property during the rental period.

See edithcowancollege.edu.au/accommodation.

Why study in Perth

Perth, vibrant capital city of Western Australia, provides a clean, safe, friendly and relaxed environment whilst also offering all the cosmopolitan attractions of a large international city. It boasts an abundance of restaurants and cafés, beaches, music and sporting venues, nightclubs and cinemas – as well as great shopping!

Longer graduate visa for higher education students

In 2019, the Australian Federal Government awarded 'regional city status' to Perth in Western Australia.

As an international student, that means you may be eligible to stay in Western Australia for 3 to 5 years after completing your degree.

A post-study work visa may give you the opportunity to gain more work experience and you could be eligible for skills assessments required for a skilled visa application.

Climate

Perth offers a Mediterranean-style climate with warm, dry summers and mild winters. It is the sunniest capital city in Australia and has an average of eight hours of sunshine each day.

Season	Period	Average daily temperature
Summer	December to February	17°C to 30°C
Autumn	March to May	14°C to 26°C
Winter	June to August	8°C to 19°C
Spring	September to November	12°C to 23°C

FAST FACTS

- Population 2+ million
- Currency Australian dollar (A\$)
- Time zone UTC/GMT +8 hours
- Electricity 220–240 V
- Language English

Transport

Perth is an easy city to get around with clean, reliable public transport. Students receive discounted fares on buses and trains. Free public transport is available within the city centre.

Part-time employment

Student visa holders can work part-time up to 40 hours per fortnight whilst studying and work full-time during semester breaks. Jobs are generally in retail and hospitality.

Tuition fee waiver for dependants

For PQP students who will pursue Masters or Doctoral degree, their dependants can attend the West Australian public school system without paying the mainstream tuition fee that usually applies to overseas students.

Visit ecu.edu.au/my-uni-start/preparing/living-and-studying-in-perth for more information.

Things To See And Do In & Around Perth

1. Soak up the sun at one of many Perth pristine beaches

Australia is known for its white sands, and some of the best beaches can be found in Perth. With 197 kilometres of sun, sea and white sand to be enjoyed on the coastline, you can be as active or chilled out as you like.

2. Eat and drink

Experience all the best food Perth has on offer from cheap eats and coffee to high teas and weekend markets.

3. Explore the beautiful Swan Valley

The picturesque landscape of the Swan Valley is Western Australia's oldest wine region, but it also boasts diverse wildlife experiences and natural wonders to discover.

4. Uncover Kings Park's best walks

Kings Park is one of the world's largest and most beautiful inner city parks and it is rich in Aboriginal and European history. Kings Park is home to the spectacular Western Australian Botanic Garden, which displays over 3,000 species of the State's unique flora.

5. Catch a Festival

Experience a rich tapestry of arts and cultural experiences across Perth throughout the year. The best one is without a doubt Fringe World Festival in January/February. And thanks to our mild climate all year there's always a fun festival around the corner.

6. Take a Quokka selfie

With soft white sand and turquoise waters, Rottnest Island is packed with insta-worthy spots. Located just a short ferry ride from the mainland and a world away from city life, it is also home to the adorable Quokka, known as the happiest animal on the planet.

7. Learn how to surf

With waves for beginners as well as seasoned surfers, some of the world's best surf spots are right here in Perth.

8. Take a road trip

There's no shortage of amazing road trips from Perth. WA has some of the best driving roads in the country, but also the longest. You can spend a couple of hours (or a couple of days) in the car in any direction to see some incredible landscapes.

9. Catch a movie under the stars

Situated amongst pine trees and adjacent to a lake and landscaped surrounds, ECU Joondalup Pines outdoor cinema offers an opportunity to catch up on the latest movies or an old classic.

10. Make friends with native wildlife

Caversham wildlife park offers a unique interactive experiences with Australia's most interesting animals, just a short drive from the ECU Joondalup campus.

Choose your program

Commerce

In an ever-changing world, a Commerce degree from ECU gives you the edge to succeed for jobs of the future. Through industry work placements, networking opportunities, as well as learning from academics with industry backgrounds, you'll graduate with the skills you need to forge your career. Commerce at ECU offers a range of majors and minors, as well as flexible study options, so you can tailor your course to your field of interest all the while studying around your life.

Why study Commerce at ECU?

1. Students are guaranteed real-world situated learning experiences through the Work Integrated Learning program.
2. Access real-time global financial market data using Thomson Reuters Eikon software in the SMART Lab.
3. Tap into the latest virtual reality and social media channels in the Digital Hub using Salesforce Social Studio.
4. Collaborate in the Centre for Business Development and our brand new Business Bureau, featuring Tax Offices and a Virtual Reality space.

Science (Computing/IT)

This program introduces you to computer science, software engineering, internet working technology, computer security, information technology (IT) and other emerging fields.

All computing programs at ECU are developed in consultation with the IT industry and have received the Australian Computer Society's highest level of accreditation (Level 1). ECU's computing and cyber security graduates are actively sought by national and international employers, working in some of the world's leading technology companies including Google, Facebook and Microsoft.

ECU's strong industry relationships ensure that its computing and IT courses are relevant and cutting-edge in their field. Students from the degree programs have won or placed highly in national competitions and awards.

ECU has been recognised by the Australian Federal Government as one of just two Academic Centres of Cyber Security Excellence in Australia, and the only one in WA. ECU plays a key role in the \$139 million Cyber Security Cooperative Research Centre, which recently inaugurated its Head Office at the ECU Joondalup Campus.

Since 2001 more than 1000 cyber security professionals have graduated from ECU's cyber security program - one of the longest running undergraduate cyber security degree programs in Australia.

It is estimated that there will be a global shortfall of 1.5 million cyber security professionals by 2020.

ECU's Work Integrated Learning program offers high achieving students the opportunity to participate in unpaid work placements with State and Local Government bodies, financial institutions and local industries.

The University's computer labs contain state-of-the-art equipment and include specialist labs for wireless networking, computer security and digital forensics.

- Information Design
- Introductory Applied Maths

Diploma of Science (Computing/IT) (Year 2)
CRICOS Course Code
 092035E
Duration
 8 or 12 months
Core units

- Mathematics For Computings
- Applied Communications
- Professional Science Essentials
- Systems and Database Design
- Computer Security
- Systems Analysis
- Programming Principles
- Computer Fundamentals

Second year of your ECU degree - Joondalup Campus
 Students will be granted the following unit exemptions towards the respective degree at ECU.

- Bachelor of Computer Science (majors in: Cyber Security, Software Engineering) 8 units (120 credit points)
- Bachelor of Information Technology 8 units (120 credit points)
- Bachelor of Science (Cyber Security) 8 units (120 credit points)

Science (Engineering Studies)

This program is designed for students wishing to enrol in the wide range of programs offered by ECU's School of Engineering.

These programs are structured heavily around practical learning and students study in some of the most advanced, industry-grade engineering labs in Australia, with the opportunity to work on real-world projects and develop strong contacts through industry engagements, events and internships.

ECU students also have the opportunity to develop industry links during a work placement of up to 12 weeks. This unit provides students with real-world, practical experience under the supervision of an engineer in an approved work situation.

Partnerships with industry ensures students graduate job ready and are well-equipped to meet the challenges of the future. ECU is the only university in Western Australia offering degree specialisations in Motorsports.

Location

ECU Joondalup Campus West

Progression rules

Minimum 50 percent pass in all units.

Employment and career options

Potential careers in: automotive technology, chemical engineering, civil engineering, computer systems engineering, instrumentation control and automation engineering, electrical engineering, electronics engineering, mechanical engineering, petroleum engineering.

Professional recognition

Professionally accredited by Engineers Australia upon successful completion of the relevant ECU degree.

Diploma of Science (Engineering Studies) (Year 1)

CRICOS Course Code
092036D

Duration
8 or 12 months

Core units

- Workplace Communication - Employability
- Introductory Computing
- English Language Enhancement (or elective)
- Introductory Mathematics
- Communication Skills
- Introductory Physics
- Introductory Chemistry
- Introductory Applied Maths

Diploma of Science (Engineering Studies) (Year 2)

CRICOS Course Code
092036D

Duration
8 or 12 months

Core units

- Electrical Engineering 1A
- Engineering Drawing and Computer Aided Design
- Mathematics 1
- Introduction to Engineering
- Engineering Mechanics
- Mathematics 2
- Electrical Engineering 1B
- Materials and Manufacturing

Pre-requisite units:

- Introductory Applied Maths[†]
- Introductory Chemistry[‡] (Chemical Engineering only)
- Introductory Physics[†]

Second year of your ECU degree - Joondalup Campus

Students will be granted the following unit exemptions towards the respective degree at ECU.

- Bachelor of Engineering Honours (majors in: Civil, Civil and Environmental, Chemical[§], Computer Systems, Electrical Power, Electrical and Renewable Energy, Electronics and Communications, Instrumentation Control and Automation, Mechanical, Mechatronics, Petroleum) 8 units (120 credit points)
- Bachelor of Technology (Aeronautical) 8 units (120 credit points)
- Bachelor of Technology (Motorsports) 8 units (120 credit points)
- Bachelor of Technology (Engineering) (majors in: Chemical[§], Civil, Mechanical, Electrical, Electronics and Communications) 8 units (120 credit points)
- Bachelor of Engineering Science 8 units (120 credit points)

^{†,‡,§} Additional entry requirements on page 18

Science (Health Studies)

This program will introduce you to the biological, social and cultural elements involved in health care, as well as providing foundation concepts to progress in your proposed areas of study. ECU offers a range of degrees that can lead to different careers in fields such as biomedical sciences, medical research, nursing and biochemistry, to name a few.

The University has state-of-the-art health and wellness facilities, and their renowned undergraduate nursing program is developed in consultation with nurses, healthcare services and industry groups.

ECU Nursing students have access to simulated practice wards for scenario-based learning. On transfer to ECU, students will participate in unpaid clinical placements over the duration of the degree.

Location

ECU Joondalup Campus West

Progression rules

Minimum 50 percent pass in all units.

Employment and career options

Potential careers in: biomedical scientist, health care management, nursing, pharmaceutical sales, psychology, research.

Professional recognition

ECU's Bachelor of Science (Nursing) is fully accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC).

ECU's Psychology degrees are fully accredited by the Australian Psychology Accreditation Council (APAC) and have close links to industry.

Diploma of Science (Health Studies) (Year 1)

CRICOS Course Code
092037C

Duration
8 or 12 months

Core units

- Workplace Communication - Employability
- Introductory Computing
- English Language Enhancement (or elective)
- Foundation Science
- Communication Skills
- Project Management
- Introductory Chemistry
- Introductory Mathematics

Diploma of Science (Health Studies) (Year 2)

CRICOS Course Code
092037C

Duration
8 or 12 months

Core units

- Professional Conduct and Communication
- Anatomy & Physiology 1
- Cultural Studies
- Professional and Academic Communication (Health)
- Evidence Based Practice in Health

Nursing stream

- Health Science
- Clinical Sciences Introduction
- Health and Healthcare Systems
- Legal & Ethical Requirements in Nursing & Midwifery Practice

Other streams:

- Introduction to Psychology
- Anatomy & Physiology 1
- Introductory Statistics
- Anatomy & Physiology 2

Second year of your ECU degree - Joondalup Campus**

Students will be granted the following unit exemptions towards the respective degree at ECU.^{††}

- Bachelor of Science (Biomedical Science) up to 6 units (up to 90 credit points)
- Bachelor of Science (Exercise and Sports Science) up to 3 units (up to 45 credit points)
- Bachelor of Science (Nursing)[‡] up to 7 units (up to 105 credit points)
- Bachelor of Psychology up to 8 units (up to 120 credit points)

^{**††,‡} Additional entry requirements on page 18

Post-Graduate Qualifying Program (PQP) – Business, IT and Communications

The Post-Graduate Qualifying Program (PQP) is a one semester non-award program designed to lead students into ECU's master degrees. The program is designed for students who already have tertiary qualifications but have not qualified for direct entry into ECU masters programs.

The program will equip students with graduate knowledge, skills and English Language Proficiency (ELP) for entry into masters degrees in the School of Business and Law, the School of Science (Computing & Security) and the School of Arts and Humanities at ECU.

The program is made up of four core units comprising three PQP units that embed and test academic rigour and language development, together with one discipline-based unit, for which ECU will award advanced standing on transfer to the University.

Students must pass all four units in no more than two semesters to qualify for entry into ECU.

Location

ECU Joondalup Campus West

Progression rules

Minimum 50 percent pass in all units.

Post-Graduate Qualifying Program (PQP) – Business
CRICOS Course Code
 085336F
Duration
 4 months
Core units
 Students must complete all four core units

- Managing People and Organisations*
- Effective Communication
- Research Methodology
- Post-Graduate Preparation in Critical Thinking

Post-Graduate Qualifying Program (PQP) – IT
CRICOS Course Code
 085336F
Duration
 4 months
Core units
 Students must complete all four core units

- Effective Communication
- Networking Technologies*
- Research Methodology
- Post-Graduate Preparation in Critical Thinking

Entry into the following ECU masters degrees - Joondalup Campus

- Master of Business Administration
- Master of Business Administration International
- Master of Finance and Banking
- Master of Human Resource Management
- Master of International Hospitality Management
- Master of Management Information Systems
- Master of Marketing and Innovation Management
- Master of Professional Accounting^{§§}
- Master of Project Management

Entry into the following ECU masters degrees - Joondalup Campus

- Master of Computer Science
- Master of Cyber Security

Additional course specific entry requirements - Diploma and PQP programs

* Advanced standing is granted for this unit.

† These two units are additional units for students who have not completed the prerequisite study at Year 12 (or equivalent). Introductory Applied Maths must be completed before progression to Calculus. Introductory Applied Maths and Introductory Physics must be completed before progression to Engineering Mechanics. These units are not recognised for advanced standing at ECU.

§ Students must have Year 12 Chemistry or equivalent to enter this bachelor degree.

** To enter the Diploma of Science (Health Studies) (Year 2) leading to these degrees, you must have an IELTS score of 5.5 with no band less than 5.0, except for Nursing where you must have an IELTS score of 6.5 with no band less than 6.0.

‡ Students progressing to ECU's Bachelor of Science (Nursing) must achieve an IELTS score of 7.0 (with no individual band less than 7.0) before entry. Additional special requirements also apply for students progress to this degree. See page 20 for details.

†† ECC Diploma of Science (Health Studies) (Year 2) students will be eligible to receive the diploma after successfully completing eight units. However, up to seven units will be credited towards a Nursing degree, up to six units will be credited towards a Biomedical Science degree and up to 8 units will be credited towards a Psychology degree. Students who do not receive the full 8 credits will need to complete additional units during their first year at ECU, which will usually extend the duration of their degree.

§§ Advanced standing is not available for this Master's degree

Post-Graduate Qualifying Program (PQP) – Communications
CRICOS Course Code
 085336F
Duration
 4 months
Core units
 Students must complete one unit depending on their chosen masters from:

- Media and Society in a Globalised World*
- Journalism in the New Media: Converged Environment*
- What is Design For?*

And the 3 core units below

- Effective Communications
- Research Methodology
- Post-Graduate Preparation in Critical Thinking

Entry into the following ECU masters degrees - Joondalup Campus

- Master of Professional Design
- Master of Professional Communications

Your English language preparation

ECC provides English language programs for people from non-English speaking backgrounds and direct entry pathways for international students wishing to undertake university study at ECU and elsewhere.

ECC is renowned for its excellent teaching staff, high quality programs and outstanding facilities. Students have access to a wide variety of student services, support and activities, with the added advantage of interaction with Australian and international students studying degree courses.

The teachers at ECC are qualified and experienced in teaching English as a second language and many have taught overseas. They use a variety of teaching methods combined with a wide range of modern materials, technology and resources to encourage active learning.

English language programs
 ECC offers the Academic English Program (AEP) which is designed for students who plan to study at an Australian University or who are interested in developing academic reading, writing, listening and communication skills.

The AEP is offered in 10 week blocks (intakes every 5 weeks) with nine fixed start dates per year, and is taught on ECU's Mount Lawley Campus. Classes are taught during the university's teaching hours from Monday - Friday.

Following successful completion of the required academic English level, students will not normally be required to take an English test for entry into ECC / ECU (excluding programs where IELTS is compulsory, such as Nursing).

The pass mark for each 10 week block of Academic English is 65%.

Academic English program entry requirements

English language tuition fees for 2020/2021

Program	CRICOS Course Code	Tuition fee (A\$)
Academic English (elementary to advanced)	071799A	\$450/week

- 5 July 2021 - 11 July 2021
- 27 December 2021 - 31 December 2021

Your admission requirements

The minimum English and academic requirements for entry to ECC's Diploma and PQP programs are outlined on pages 20–23. ECC has established minimum English and academic requirements for its programs however, each application will be assessed on its individual merits.

Not all qualifications or countries are listed, so if you have other qualifications you should attach certified transcripts to your ECC application form. The College may issue a conditional Letter of Offer based on forecast or preliminary results, where appropriate.

Mature-age entry

Mature-age students (aged 20 or above) may be considered for entry into a program without meeting the formal academic requirements.

Applicants will need to apply via Portfolio Entry, and will be required to provide a written statement of purpose, evidence of work experience, a CV, and other supporting documents.

See edithcowancollege.edu.au/alternative-entry-pathways.

Credit transfer

Applicants who have undertaken recognised studies may be eligible for exemptions (also known as credits).

To be considered, applicants must provide certified copies of academic transcripts and detailed subject syllabus. For more information, please visit edithcowancollege.edu.au/exemptions

English language requirements

Applicants must be able to demonstrate their English language proficiency before they enter an ECC program. The College may also ask selected students to sit our internal English test to demonstrate their English proficiency, at no cost. Applicants who do not meet the English language requirements for their chosen program may be able to enrol in ECC's Academic English Language Program (AEP).

Special English entry requirements for Nursing

Program	Special requirements
Diploma of Science (Year 1) - Health Studies / Nursing stream	Students must have an overall IELTS 6.0 with no band less than 5.5; or, TOEFL (iBT) 70, with no score less than 17; or, PTE-A 57, with no communicative skill less than 50; or OET with a minimum C in all components.
Diploma of Science (Year 2) – Health Studies/Nursing	Students must have an overall IELTS 6.5 with no band less than 6.5; or, TOEFL (iBT) 84, with no score less than 17; or, PTE-A 64, with no communicative skill less than 58; or OET with a minimum B in each of the four components (listening, reading, writing and speaking). A maximum of two test sittings in a six-month period may be accepted based on assessment. . To qualify for ECU's Bachelor of Science (Nursing), international students must provide current evidence of an overall IELTS 7.0 with no band less than 7.0; or, TOEFL (iBT) 94, with a minimum score of 24 for listening, 24 for reading, 27 for writing, and 23 for speaking; or, PTE-A 65, with no communicative skill less than 65; or OET with a minimum B in all components. Upon successful completion of the ECU Bachelor of Science (Nursing), students will be eligible to register with the Nursing and Midwifery Board of Australia (NMBA). To register, all international graduates must provide evidence of an overall IELTS score of at least 7.0 in all four bands of IELTS, with an overall band of at least 7; or a B pass or above in all four sections of the Occupational English Test (OET) Nursing Version. Applicants must achieve the above scores in a single test, which has been completed no more than two years before their application for NMBA registration. For more information visit nursingmidwiferyboard.gov.au All Nursing graduates must be registered with the Nursing and Midwifery Board of Australia to be able to work in Australia.

“The best part about studying at ECC was the support I received from the lecturers. They monitored our progress and provided feedback. I found the gradual assessments throughout the trimester made it easier for me to learn.”

Surapi Rubachandran, Sri Lanka, Health Science

* All listed tuition fees are indicative only and are subject to change.

** Additional fees apply for students who are required to complete pre-requisite units.

2021 scholarships available

English Scholarship

ECC offers 10-week English scholarship to international students who combine English with a Diploma or PQP program at ECC followed by a degree at ECU. This scholarship is valid for applications received up to 31 December 2021.

Diploma Scholarship

The ECC Diploma Scholarship is offered to eligible international students commencing a Diploma program with ECC. The scholarship offers a 10% reduction in your tuition fees for all Diploma (Year 2) units undertaken at ECC.

Pathway Scholarship

The ECC Pathway scholarship is offered to international students from selected countries commencing a Diploma program with ECC. The scholarship offers a 20% reduction for the remainder of your course at ECU. It is valid until October 2021.

For full terms and conditions, visit: edithcowancollege.edu.au/scholarships

Your academic calendar

ECC diploma programs are offered over three trimesters per year, starting in February, June or October. PQP students can enter in either of two semesters per calendar year, starting in February or July.

Year	Intake	Orientation	Trimester start date	Census date	Mid-trimester break	Trimester end date

<input type="checkbox"/> Medical <input type="checkbox"/> Learning <input type="checkbox"/> Other (please specify): _____
Please attach relevant information to help ECC determine what learning assistance (if any) you might require.

International students only

English proficiency

(Please tick and attach documentary evidence where applicable)

English is my first language

English was the language of instruction during my secondary school studies and I gained a satisfactory pass in final-year English (results attached).

I have taken an IELTS, TOEFL, or PTE test, and attached my results to this application.

I have obtained a satisfactory mark or score in another examination or test acceptable to ECC (e.g. completion of at least the first year of a post-secondary/tertiary course at a college or university where the language of instruction was English).

IELTS / TOEFL / PTE score:

Other English test:	Score:
---------------------	--------

Are you currently enrolled in an ELICOS school? Yes No

If 'yes', please provide name of school: _____

Overseas Student Health Cover (OSHC)

ECC will provide all international students with an OSHC policy through our preferred provider unless advised otherwise

Would you like ECC to arrange OSHC for you from our preferred provider?

If you already have OSHC, please provide details of your cover below:

OSHC provider name: _____

OSHC number: _____

OSHC expiry date: DD / MM / YYYY

Visa

Which type of visa will you be applying for?
 Student Tourist Working Holiday Visa
 Other (please specify): _____

Sponsored students only

Name of sponsoring organisation: _____

Type of sponsorship (e.g. tuition fees, living expenses): _____

Other information

How did you first learn about ECC? You may tick more than one.

Exhibition/seminar Newspaper/magazine

Recommended by a friend/relative – if so, is your friend/relative an ECC student? Yes No

Recommended by an education agent

Internet, please specify: _____

Other (please specify): _____

Declaration

I declare the information I have supplied on this form is, to the best of my understanding and belief, complete and correct. I understand that giving false or incomplete information may lead to my application being refused or my enrolment cancelled. I have read and understood the relevant program information in this brochure and/or on the ECC website and I have sufficient information about ECC to enrol. I understand that the pathway may lead to future studies at ECU, subject to ECU's entry requirements.

I understand that ECC fees may increase. I accept liability for payment of all fees as explained in the ECC brochure and/or website, and I agree to abide by the Refund policy as outlined in edithcowancollege.edu.au/policies. I have read the information about living expenses on page 9 and I understand that living expenses in Australia may be higher than in my own country. I confirm that I am able to meet these expenses. I have understood and I accept the Enrolment Terms of Offer at edithcowancollege.edu.au/policies. I understand that ECC may, by written notice, vary its conditions as may be necessary to comply with any law or regulation, or amendment of any law or regulation, of the Commonwealth of Australia or the State of Western Australia. I give permission for ECC and ECU to obtain official records from an educational institution attended by me, and to supply my contact details and any relevant official records to educational institutions I am eligible to gain admission to. I authorise ECC to provide my personal information, including my contact details and enrolment details, to third parties in accordance with ECC's Privacy policy. These third parties include ECC representatives (agents) acting on my behalf; ECU (to facilitate progression from ECC to the next stage

of my studies); sponsors and Navitas Limited and its affiliates (to communicate pathways and services offered by Navitas Limited and its related companies). In the event of circumstances requiring urgent medical care and where it is not possible to contact next-of-kin, ECC is authorised as a matter of urgency to seek appropriate medical care.

International students only: I understand that it is my responsibility to maintain valid Overseas Student Health Cover (OSHC). I also understand that if I am no longer enrolled at ECC, my OSHC membership can be transferred. I understand that if I have applied through an approved ECC/ECU agent, all correspondence relating to my application will be forwarded to that agent. In the circumstances of any suspected breach of my student visa conditions, I authorise ECC to provide my personal information, including my contact details and enrolment details, to the Australian Government's designated authorities, and the Tuition Protection Service (TPS).

Health Protection: I give permission for ECC to obtain records and information from my current OSHC provider (if applicable). I also agree that ECC is able to exchange information with my OSHC provider with respect to meeting my visa requirements and maintaining my OSHC cover.

I understand that any conditions concerning an offer of admission will be contained in my letter of offer from ECC, which I will be required to read and sign.

Privacy Declaration

- Our Privacy Policy, (edithcowancollege.edu.au/privacy) outlines how the information you provide us, will allow us to deal with your enquiry; to assess your application and, provide you with an outcome.
- We will also be able to provide you with the information about the course you have applied for; the College; the Partner University and, our local community. It is really important that you read and understand the Privacy Policy (edithcowancollege.edu.au/privacy).
- If you have questions about the Privacy Policy or how your personal information will be managed, please email: privacy@navitas.com and ask your question/s.

Applicant Declaration

If you agree to how we intend managing your personal information, by ticking the boxes below, we may contact you to provide you with relevant information on other courses that we offer, as well as other services offered by the College, University Partner or Navitas Group. It is important for you to know and understand that if you choose **NOT TO CONSENT** to us contacting you in this way, that we will be unable to provide you with information about some of the services we offer such as the type of accommodation we offer, or our Airport Meet and Greet service.

- I have read and understood the college's Privacy Policy Yes No
- I consent to the college sending me marketing information by e-mail Yes No
- I consent to the college sending me marketing information by mail Yes No
- I consent to the college contacting me by telephone for marketing purposes Yes No
- I understand that the College will be collecting, processing and storing my personal information as part of this enquiry and/or application process Yes No
- I understand that the College may need to share my personal information with a third party in order to provide your services to me (edithcowancollege.edu.au/privacy) and I agree to this Yes No

As the applicant named on this application

- I confirm that I have understood the questions above and that my answers represent how I want my personal information used.

Applicant's signature:

(must be the same signature as in your passport)

Date: DD / MM / YYYY

If you are under 18 years of age, your parent or guardian must also sign this application form.

Parent's/guardian's signature:

Date: DD / MM / YYYY

*Unsigned applications cannot be processed. Agents cannot sign on an applicant's behalf.
