

1. About Edith Cowan College Courses

General Information

Edith Cowan College (ECC) provides alternative pathways to Edith Cowan University (ECU) for students who may not qualify for direct entry into a degree program and are looking for a supportive learning environment. Established in 1994, Edith Cowan College (formerly PIBT) has successfully bridged the academic and English language gap for over 9,000 students to help them achieve their goal of entering into ECU.

ECC Post-Graduate Qualifying Program (PQP)

ECC also offers the Post-Graduate Qualifying Program (PQP) to international students only. This non-Award program on the ECU Joondalup Campus West is designed to lead students into ECU's master's degrees in the School of Business and Law or the School of Science (Computing and Security) with one unit of advanced standing. The program is designed for students who already have tertiary qualifications but have not qualified for direct entry into the university masters degrees.

Bridging and Enabling Courses:

All applicants are required to demonstrate English language proficiency.

- Local students can do this by submitting their final high school results.
- International students will be required to submit their results in a recognised English Language Test (e.g. IELTS, Pearson Test of English (PTE) or TOEFL) which has been completed within the past two years.

Applicants who fail to meet the minimum English requirements, may apply to study Academic English Program (AEP) to bridge the English entry requirement. For details see:
