5 BE HAPPY WITH YOUR STUDY EXPERIENCE

The Australian Government's Quality Indicators for Learning and Teaching (QILT) website helps prospective students compare universities around Australia.

In 2018, and for the second year in a row, ECU received the top student experience rating of all public universities in Australia.

Who was Edith Cowan?

Born in 1861 in Glengarry, near Geraldton, Edith Dircksey Cowan believed education was the key to growth, change and improvement. Edith's contribution to the development of Western Australian education was significant. She strove to achieve social justice and campaigned for the rights of women, children and families, for the poor, the poorly-educated and the elderly. So it's fitting that the State's oldest education institution and newest public university, Edith Cowan University, bears her name.

6 MAKE FRIENDS AND CONNECTIONS FROM ALL AROUND THE WORLD

Perth has the best mix of international students in Australia. This provides a stimulating learning environment in the classroom and promotes strong networks and links for your future.

7 LEARN FROM THE BEST

ECU graduates have given the university a 5-star rating for teaching quality. This rating has now been achieved for 12 years in a row.

This makes ECU one of just two public universities – and the only in Western Australia – to have achieved such a consistently high endorsement for teaching quality.

A 5-star rating has again been awarded for skills development, student support, learning resources and for the median salary of ECU graduates (this is based on the starting salary for new domestic graduates under age 25, and in their first full-time job).

8 LIVE IN AN AFFORDABLE CITY

Perth has some of the most affordable housing of all Australian cities with median rents around 40% cheaper than Sydney. Plus ECC offers a 50% discount at the Mount Lawley campus accommodation.

Public transport within the CBDs are also FREE.

9 IMMERSE YOURSELF IN AN AUTHENTIC AUSTRALIAN EXPERIENCE

Consistently ranked in the top 10 most liveable cities in the World, Perth is renowned for its relaxed and healthy lifestyle. You'll be able to immerse yourself in the Australian culture by playing or watching games of crickets or football, meeting native animals or exploring some of the most varied scenery in Australia.

10 WORK PART-TIME DURING YOUR STUDIES

During your studies you'll have the opportunity to work part-time for up to 40 hours per fortnight and full-time during the holidays.

Last year, Western Australia had the highest annual growth in part-time employment.

“ I heard about ECC through a friend. I did some research and discovered that ECC has a good reputation especially for international students. I chose to study at ECC because I know that it has good opportunities in terms of cross cultural education and career advantages. ”
