

Study at

Edith Cowan College

Your Pathway to ECU

ECU has been ranked the top public university in Australia for student satisfaction

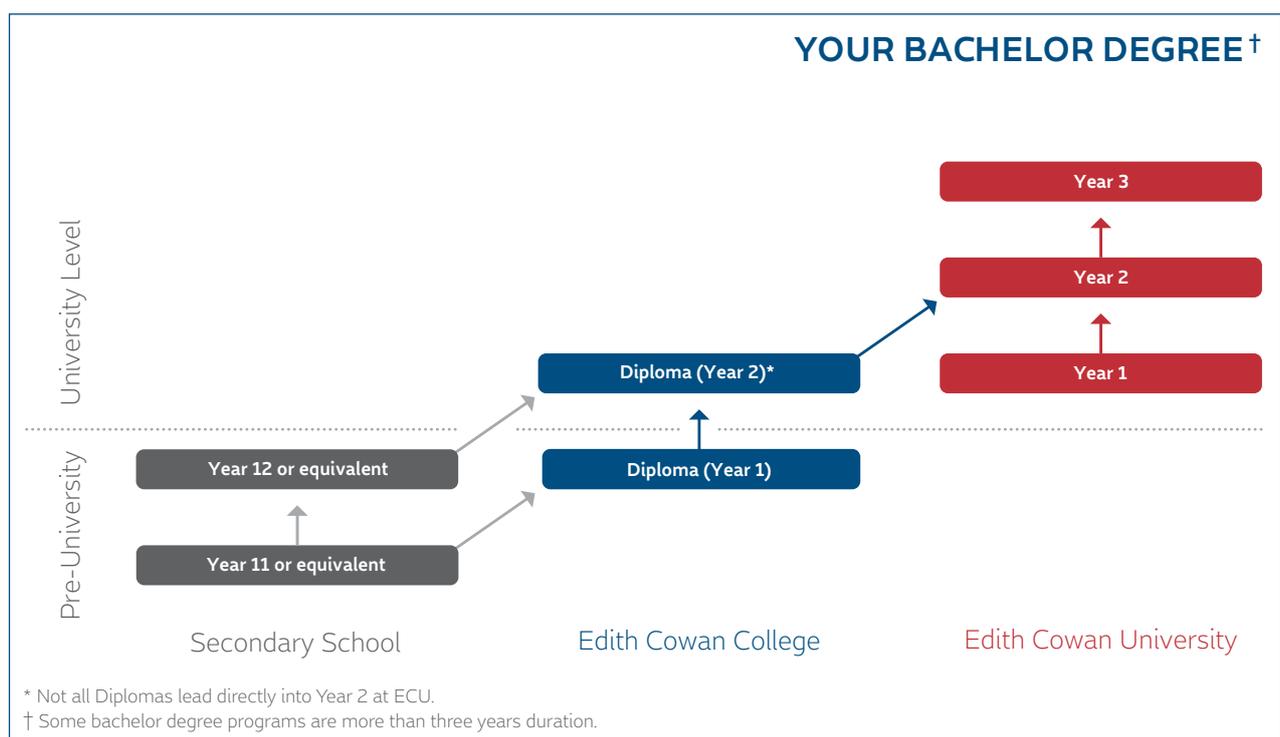

in the QILT (Quality Indicators for Learning and Teaching) in 2017.

Your future starts here

- Edith Cowan College (ECC) provides pathway programs to Edith Cowan University (ECU), delivering a range of programs designed to provide a high quality education so that you are university-ready.
- ECC students receive individual attention from their lecturers in smaller classes than the university, with access to high quality English language programs and additional free study support programs. ECC is located on ECU's campus, providing students with access to the university's state-of-the-art facilities including biology labs, computer labs, engineering labs, lecture rooms and library.
- ECC has embedded employability and English language skills within its programs so that you can reach your potential and 'get that job'. This ensures that graduates are well prepared and attractive to employers by standing out from other students.
- ECC is focused on maximising your student experience with a range of social programs to help you make lifelong friends and enjoy studying at ECC. Activities include barbecues, sporting activities (e.g. basketball, cricket, netball, soccer and volleyball) and help from your Student Leader.
- Read on to find out more about studying at ECC.

Your pathway to a degree from Edith Cowan University

Edith Cowan College (ECC) provides alternative pathways to Edith Cowan University (ECU) for students who may not qualify for direct entry into a degree program and are looking for a supportive learning environment. For over 23 years ECC have successfully bridged the academic and English gap for over 8,400 students to help them achieve their goal of becoming an ECU graduate and greater employment prospects.

Welcome

Message from ECC's College Director and Principal

At ECC we provide a pathway to Edith Cowan University (ECU). We are passionate about providing a high quality education so that you are university-ready and prepared to successfully complete your ECU degree when you leave ECC. We have embedded employability skills within our programs so that you can reach your potential and 'get that job'. ECC is located on ECU's campus with state-of-the-art facilities and provides a supportive, culturally rich and student focused environment to allow you to achieve your academic goals.

By choosing ECC and ECU you are opening doors to a very bright and exciting future. ECC will support you all the way with our high quality English, diploma and post-graduate qualifying programs which will help you enter university with confidence.

I look forward to meeting you at ECC and wish you the very best for your future studies and career.

Malcolm Baigent
ECC College Director and Principal

Message from ECU's Vice-Chancellor and President

Thanks to Edith Cowan University's (ECU) long and successful partnership with Edith Cowan College (formerly Perth Institute of Business and Technology), students can benefit from established academic and English entry pathways to ECU for both Australian and international students.

ECU provides the ideal learning environment for people who want to reach their potential. Our industry-relevant courses, supportive study environment and award-winning facilities enable ECU students to do more than just survive in this world – they thrive in it.

ECU courses are developed in consultation with industry, and teaching staff have extensive industry experience and networks. It's why ECU students can expect placement opportunities, fieldwork, practicums and networking events as part of their studies.

This approach has been rewarded with five star ratings for teaching quality for eight years in a row in the Good Universities Guide.

I hope your pathway studies are successful and satisfying and I look forward to welcoming you to ECU in the future.

Professor Steve Chapman
ECU Vice-Chancellor and President

"I believe the teaching support and the availability of online course materials helped me to do well in my studies at ECC. I love the modern facilities and how very multicultural ECC is."

Ha Phuong Huang, Vietnam, Business

Why get ready at ECU?

At Edith Cowan University (ECU), we equip you with the confidence and practical skills to deal with whatever challenges may come your way, no matter where you are in the world. But if that isn't enough, here are a few more reasons why you should choose ECU.

Industry links

Many of our courses offer direct links with industry and organisations, which means our students get hands-on experience while they are studying.

Learn from the best

Our high calibre staff have extensive experience as researchers, teachers, advisers or consultants and have significant professional experience in their field.

Choices

We offer a diverse range of courses, majors, minors and electives.

Practical learning

We offer learning that extends beyond the classroom via practicum, work integrated learning and internships.

Supportive learning environment

We offer a supportive study environment with approachable teaching staff and a range of support staff. This includes counsellors and academic skills advisers, to help you get the most out of your education.

Safe campuses

- Security service (24/7)
- Well-lit pathways
- Emergency phones
- Night security escort

Outstanding facilities

We are known for our award-winning facilities and are at the forefront of providing innovative education and training solutions.

Internationally recognised

ECU qualifications are recognised worldwide, with many graduates gaining employment in varying capacities in Australia and overseas.

Top rated research school

According to the 2016 International Student Barometer, ECU's Graduate Research School has been rated as the top of twenty participating universities in Australia. This result sees us rated among the top three in Australia since 2011 with satisfaction rate of 95% or higher.

Multicultural

ECU has over 29,000 undergraduate and postgraduate students, with some 5,200 international students originating from more than 100 countries.

Affordability

ECU courses are competitively priced.

Academic Support

Our Learning Advisers are always on hand to assist you with a range of study skills and advice on preparing assignments. They conduct workshops, prepare academic skill resources, support other academic staff in promotion of tertiary literacy skills and see students one-on-one or in group consultations.

Ranking

Five-star teaching quality

ECU has been rated the maximum five stars for teaching quality for the eighth year in a row by the Good Universities Guide in 2017. The 2017 edition of the Guide also shows ECU graduates continue to enjoy a five star rating for median starting salary, for the third year in a row.

2016 U-Multirank

There's good news for ECU graduates in the latest university rankings, with ECU receiving the highest rating of 'very good' for Bachelor and Masters graduates finding work locally, as well as 'very good' ratings for its close links with local communities to generate research publications, research income and student internships.

One of the world's best young universities

ECU has been named in the Times Higher Education Young University Rankings for 2017, recognising the world's best 200 universities under the age of 50. The rankings are a global showcase of a new breed of university. They focus on performance indicators such as research, teaching excellence, international outlook and innovation, and highlight universities that are developing at an exceptional rate.

ECU ranked the top public university in Australia for student satisfaction

ECU has been ranked the top public university in Australia for most satisfied students in the QILT (Quality Indicators for Learning and Teaching) survey released in 2017. Results showed 86.1% were satisfied with their educational experience at ECU. ECU was ranked as the top Western Australian public university for teaching quality, support, resources and skills development.

ECU Campuses

We pride ourselves on our industry-relevant, world-class facilities, that allow you to experience modern equipment in real-world environments.

ECU Joondalup

The Joondalup Campus is set within beautiful surroundings and its spacious grounds provide a great place for students to study and relax.

Courses are offered in arts, commerce, communications, engineering, law, medical and health sciences, natural sciences, nursing, computing and security, sports science, psychology, social science and teacher education.

ECU Joondalup Pines Outdoor Cinema

During the summer months, ECU host the Lotterywest Festival Films at the ECU Joondalup Pines Outdoor Cinema, where moviegoers can enjoy watching a diverse line-up of international films.

Joondalup city highlights

- Located in the heart of the northern suburbs
- 26km from Perth CBD
- Relaxed, casual atmosphere
- Lakeside Joondalup Shopping City is the largest shopping centre in Western Australia
- Free bus service from the Joondalup shopping precinct to the University Campus

ECU Mount Lawley

Located in the trendy suburb of Mount Lawley and close to Perth Central Business District (CBD), you can't help but be inspired by the artistic vibe at Mount Lawley Campus.

Courses are offered in arts, communications, design and teacher education.

World-class facilities

ECU is proud to announce a \$5 million investment in infrastructure and equipment for a new communications and arts hub on our Mount Lawley Campus. The new \$4 million hub contains facilities for design, visual arts, fashion, broadcasting, animation, photomedia, motion capture and film. A further \$1 million is being invested in new technologies and software.

Mount Lawley city highlights

- Festivals – Comedy Festival / International Film Festival
- Vibrant nightlife
- Local and international cuisine
- Located only 3km from Perth CBD

ECU Bunbury

Located less than 200km south of Perth, our South West Campus in Bunbury is the largest university campus in regional Western Australia.

Courses are offered in arts, business, nursing, social work and teacher education. Engineering students can also study the first year of their course here.

Facilities

The campus features a café, mini-gym, multi-purpose sports courts, two nursing demonstration wards, science laboratories and a library with 24-hour access to a computer lab.

ECC is **your pathway to** Edith Cowan University

ECC is a modern and dynamic educational institution providing high-quality programs in a supportive learning environment that encourages students to achieve excellence in their studies.

ECC offers a diverse range of programs including ELICOS and pathway programs leading into undergraduate and postgraduate degrees at ECU with advance standing.

Students will learn in a multi-award winning environment and achieve through highly engaging learning and teaching activities with practical hands-on skills and industry based training.

Why choose ECC?

Gain direct entry to ECU

ECC's Diploma (Year 2) is based on first year units of the equivalent ECU bachelor degree programs. As our Diploma (Year 2) programs are quality assured by ECU, you can be confident that your program is of the highest quality. Students who successfully complete Diploma (Year 2) are eligible for direct entry into the second year of the respective bachelor degree at ECU.*

One visa for all your studies

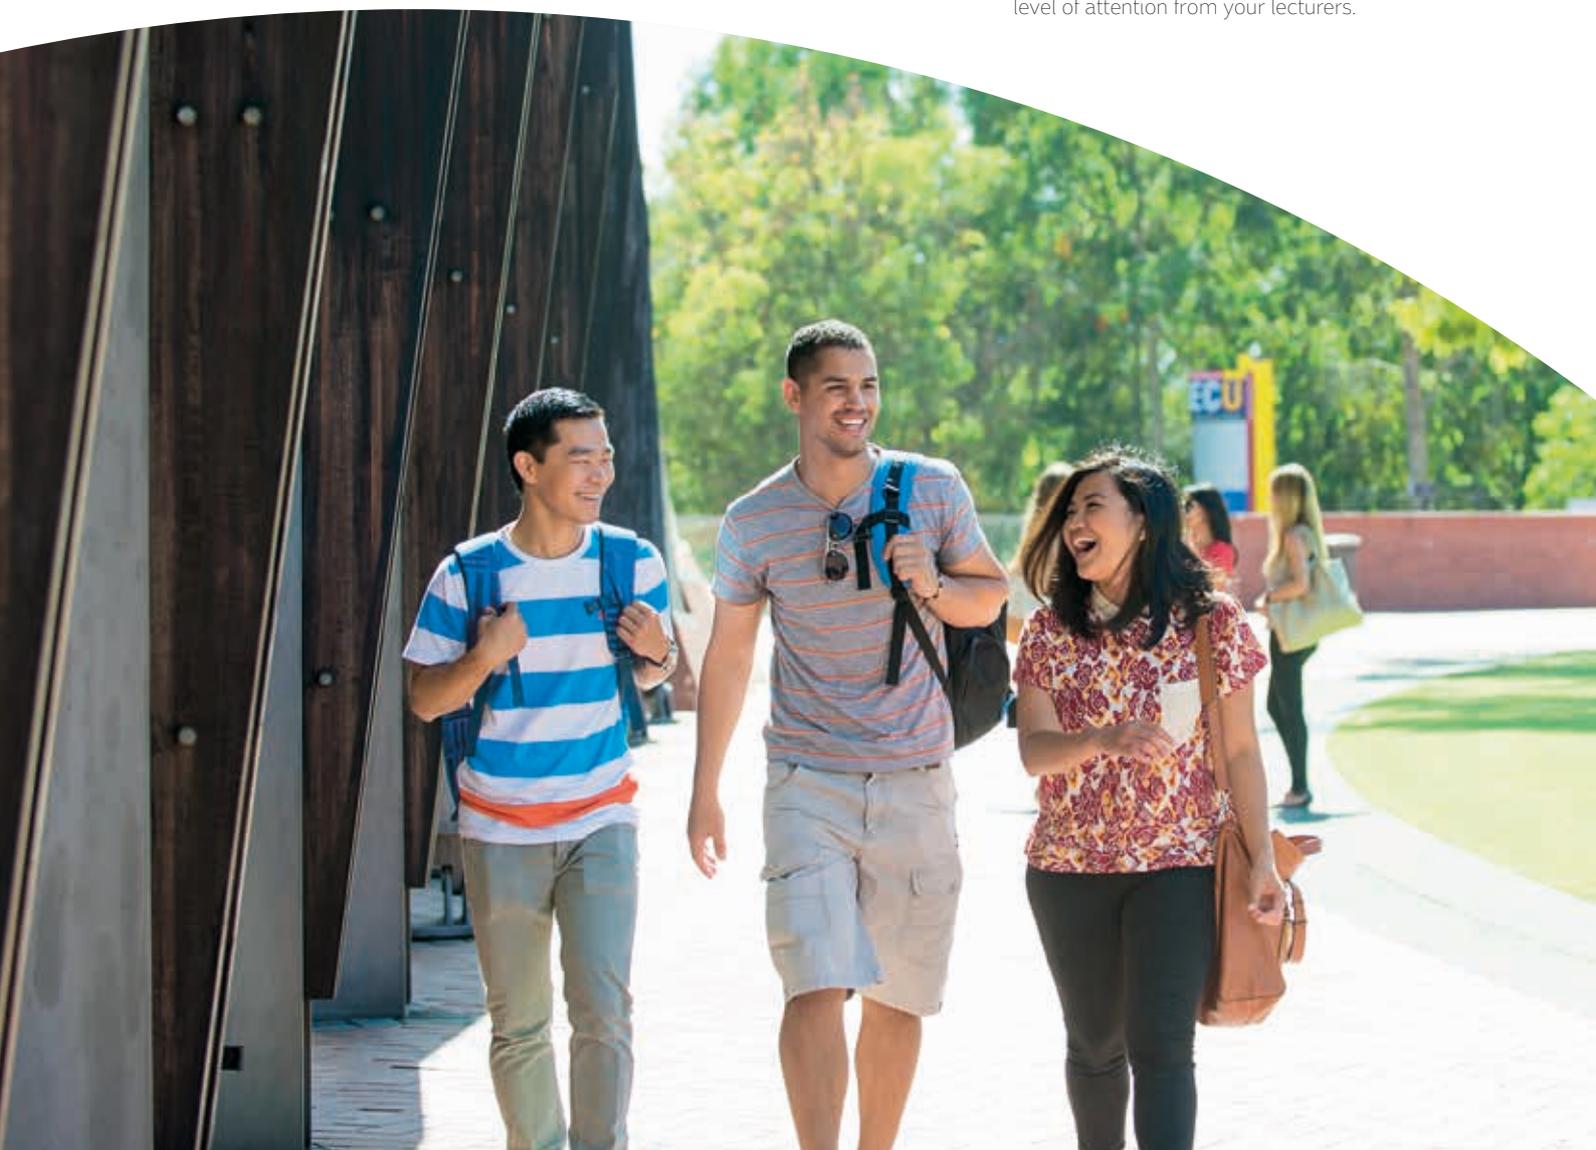

As an ECC student, you can apply for a single visa to cover the duration of your studies. Under this visa you can package your ECC program, your degree at ECU and your English language program (if required).

Flexible trimester (three semester) system

Through ECC's innovative trimester system, you can fast-track your studies and complete a one year program in only eight months. Part-time enrolment options are also available to Australian students.

Small class sizes and individual attention

Lecture groups have a maximum of 50 students, although most average between 25 and 35 students. Lectures are complemented by group tutorials and workshops, ensuring you receive a high level of attention from your lecturers.

Longer teaching sessions

As part of our supportive approach, ECC provides more teaching hours per unit of study than the university. Instead of the traditional three hours of teaching at university, ECC conducts its classes in four-hour blocks, Monday to Friday.

Study accredited programs

ECC is registered by the Tertiary Education Quality and Standards Agency (TEQSA) which is Australia's regulatory and quality agency for higher education. ECC's listing on the National Register confirms its compliance with the Higher Education Standards Framework (HESF).

Located on ECU's campus

ECC is located on the Joondalup Campus of Edith Cowan University. The Joondalup Campus is less than 10 minutes walk from the Joondalup train station, with a free bus service available to take you directly to the campus. ECC's diploma and PQP programs are taught on the Joondalup Campus. ECC's English language (ELICOS) programs are taught on ECU's Mount Lawley Campus.

Deciding on your preferred course of study is an exciting challenge. ECC offers a broad range of diploma programs in the fields of Business, Communications and Creative Industries, Hotel Management, Science (Computing/ IT), Science (Engineering Studies) and Science (Health Studies).

Diploma (Year 1)

The Diploma (Year 1) provides students with the underpinning knowledge necessary to prepare them for studies at university level. Year 1 provides opportunities for scaffolded learning and the development of core academic and employability skills.

Students who have successfully completed Year 11 or equivalent are eligible to enter this program. On successful completion of the Diploma (Year 1) students will be eligible for entry into the relevant Diploma (Year 2) program.

Diploma (Year 2)

The second half of ECC's diploma programs are equivalent to the first year of an ECU degree program. They are designed, delivered and moderated by qualified university lecturers on the ECU campus, in smaller classes with longer teaching sessions. Upon successful completion of ECC's Diploma (Year 2), students are eligible for entry into the second year of the related ECU degree program.*

Post-Graduate Qualifying Program (PQP)

The Post-Graduate Qualifying Program (PQP) is a one semester non-award program designed to lead students into Edith Cowan University (ECU) masters degrees. The program is designed for students who already have a tertiary qualification but have not qualified for direct entry into ECU's masters programs.

Teaching and assessment

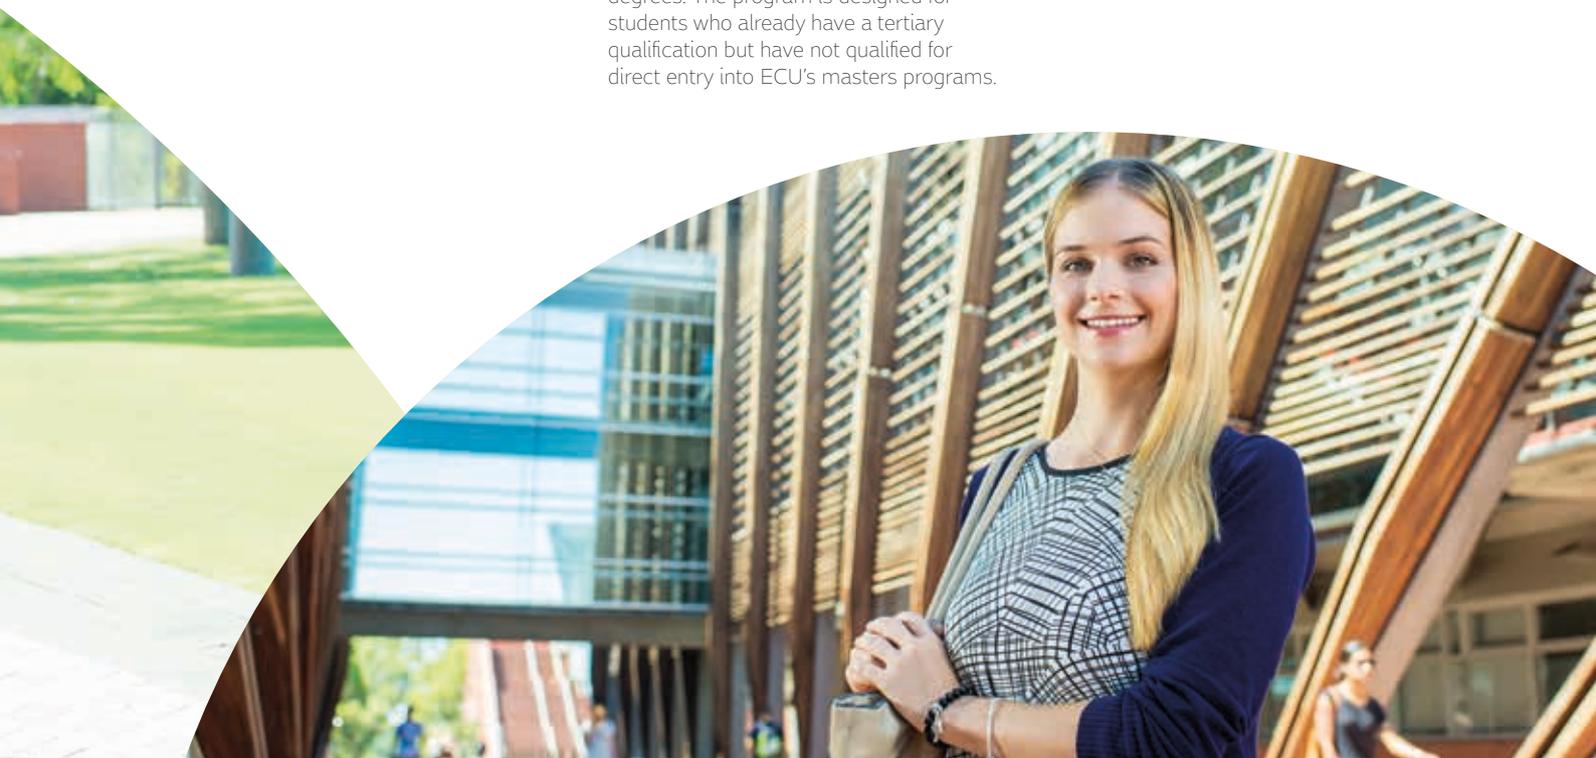

Delivery of ECC courses is conducted in a classroom setting during four hour teaching blocks from Monday to Friday.

Methods of assessment may differ depending on the program and subjects you choose. Most subjects will be assessed through a combination of written examinations and assignments, essays, oral presentations, seminars user-generated content (eg. blogs, wikis) and tutorial participation. Some coursework will include group-based projects and practical workshop activities.

For each unit, students receive an outline that includes unit content, assessments and due dates for the completion of assignments. Students are prepared for ECU by learning about the same referencing systems, academic integrity rules, academic writing skills and penalties for late submission. Attending all classes is essential in order to be successful at ECC.

ECC reserves the right to cancel classes due to insufficient demand. Please note, some units are offered in alternate trimesters.

* Some limitations may apply for specialist courses in the future. Not all Diplomas lead directly into Year 2 at ECU.

Your student life on campus

At ECC we recognise the importance of meeting our students' personal and academic needs. To achieve this priority, we have outlined below the services and programs offered to all students to make your journey as enjoyable and successful as possible.

Orientation program

A comprehensive orientation program is provided for all new students before the start of each trimester. It includes:

- interactive campus tour where you have the opportunity to make new friends from different nationalities
- meetings with staff and student leaders
- assistance with unit selection and course advice
- ECC email account, Moodle Learning Management System (LMS) and internet access via the e-lab and free WiFi
- transport information
- text book and online resources
- information about OSHC membership
- participation in Steps-to-Success workshop to set you up for academic success
- information on accessing the Student Handbook, Student e-café (support information), ECC website and student portal

Academic support

Each trimester, Academic Program Coordinators are available to help students who need additional English language, study or computer support while undertaking a ECC program. Free online resources will help you improve your study skills, time management, presentation and exam preparation skills.

Student portal

ECC's student portal is a web-based resource developed to assist ECC students during their studies. It contains important information such as unit outlines, course materials, examination timetables and results, re-enrolment details, e-café (study support resources), student news and reminders. The ECC student portal can be accessed at edithcowancollege.edu.au

Student wellbeing

Adjusting to a new environment can be a stressful experience for many students. The student counselling service is available to provide support. All discussions are kept confidential.

Our student support program links new students with senior ECC and ECU students, who can offer advice on everyday matters about living and studying in Australia. All new students are assigned a student leader to help them during the first few weeks after their arrival.

Social activities

ECC students are welcome to join ECU sports teams and participate in any on-campus social activities, which are a great way to meet new friends. Events include:

- social sports events
- excursions and adventure activities in association with CISWA (Council for International Students WA)
- Student barbecues and social gatherings

Medical services

As a condition of a Student Visa, international students must purchase and maintain Overseas Student Health Cover (OSHC) while studying in Australia.

OSHC fees paid to ECC will be transferred directly to Allianz Global Assistance, our preferred provider.

As well as ECU's on-campus medical service, international students covered by OSHC have access to 24 hour toll-free telephone emergency services, which includes medical, legal and interpreting services.

OSHC does not cover any medical condition that is pre-existing before you enter Australia.

Airport pick-up and transfer

International students first arriving in Australia can book a free airport transfer to their accommodation. Please contact your accommodation provider at least seven days before your arrival in Australia to confirm your airport pick-up and transfer. See page 9 for more information about accommodation and airport transfer providers.

IELTS test centre

ECC has been appointed as an official IELTS testing centre in Western Australia, and conducts IELTS tests on the Mount Lawley and Joondalup Campuses. For more information about IELTS testing at ECC, visit ielts.org or edithcowancollege.edu.au/ielts

24-hour emergency contacts

- ECU Security: 08 6304 3333
- Fire/police/ambulance: 000 (emergency only)
- Police communications: 13 14 44 (not for emergencies)
- Lifeline 13 11 14

Accommodation

There are several accommodation options available while you study at ECC. You should start planning your accommodation at least six to eight weeks before arriving in Australia.

Students under 18 years of age

As well as meeting all requirements for a student visa, if you are under 18 years of age, ECC must approve all your welfare and accommodation arrangements.

If you are younger than 18 and plan to stay with a friend or a relative outside your immediate family, you must receive permission to do so from your parents and ECC. If you do not have a friend or relative to stay with while at ECC, we recommend homestay accommodation.

Homestay

Homestays are a popular accommodation option for overseas students as it gives you the opportunity to live with an Australian family while you study. Each homestay host has been screened to provide good-quality facilities and meals in a friendly environment where you can live, relax and study in comfort and security, while improving your English language skills.

Example of weekly living costs

Expense	Approximate cost per week (A\$)
Homestay (room only)	From \$150
Homestay (room and meals)	From \$250
On-campus accommodation	From \$226 (plus utilities and meals)
Shared accommodation (off-campus)	\$165–\$440 (plus utilities and meals)
Groceries and eating out	\$80–\$280
Gas, electricity	\$35–\$140
Phone and Internet	\$20–\$55
Public transport	\$15–\$55
Entertainment	\$80–\$150

Your budget for living expenses will depend on the type of lifestyle and accommodation you choose. To cover weekly expenses, a single student needs a minimum of A\$19,830 each year to cover living costs. For further information please see studyinaustralia.gov.au

For more information on each of the accommodations options and alternative providers visit: edithcowancollege.edu.au/accommodation

On-campus accommodation

ECC students have access to on-campus accommodation at the ECU Mount Lawley Student Village which features five-bedroom apartments just a short walk from the university. The apartments are modern and fully furnished with private bedrooms, bathrooms, large kitchen and lounge areas, so students will have plenty of space to hang out with friends. On-site facilities include a pool, café, sound lounge, e-library, study zones and shared laundry. From time to time, accommodation may also be available at the Joondalup Student Village.

Off-campus accommodation

Off-campus options include house/flat rentals or hostels. Costs vary considerably depending on the size, quality and location of the accommodation. Renting normally requires a contract of 6-12 months and one month's rent in advance, as well as a refundable deposit (bond) to cover any damage to the property during the rental period.

Airport pick-up and transfer

To assist you with your arrival in Perth, ECC provides a free airport reception service for new students studying English followed by an ECC pathway program or students directly entering an ECC pathway program.

ECC utilises two companies to arrange airport reception for students - Perth Student Accommodation (PSA) or Australian Homestay Network (AHN). If you would like to be met at the airport and taken to your accommodation, please complete the application form available on the website of the company you wish to use as soon as you have your flight details.

www.perthstudentaccommodation.com/airport-reception/

www.ahnhomestay.com/ecc/

Perth

Your life in Perth

Perth is the vibrant capital city of Western Australia and has a population of over 2 million people. Perth provides a clean, safe, friendly and relaxed environment whilst also offering all the cosmopolitan attractions of a large international city. It boasts an abundance of restaurants and cafés, beaches, music and sporting venues, nightclubs and cinemas – as well as great shopping!

Each year nearly 950,000 overseas visitors come to enjoy the city's sophisticated but relaxed and stress-free lifestyle. Perth and the surrounding region boast a strong economy with low levels of unemployment, an excellent standard of living and low crime rates compared to other Australian cities. Low living costs combined with the highest minimum wages in Australia, Perth is now more affordable than ever before.

Services and facilities in Perth are world class and its people, industries and institutions are dynamic and global in their outlook. In recognition of its wonderful lifestyle, Perth is consistently rated among the world's top 10 most liveable cities.*

Climate

Perth offers a Mediterranean-style climate with warm, dry summers and mild winters. It is the sunniest capital city in Australia and has an average of eight hours of sunshine each day.

Season	Period	Average daily temperature
Summer	December to February	17°C to 30°C
Autumn	March to May	14°C to 26°C
Winter	June to August	8°C to 19°C
Spring	September to November	12°C to 23°C

* The Economist Intelligence Unit's Liveability Ranking.

Transport

Perth is an easy city to get around with clean, reliable public transport. Students receive discounted fares on buses and trains. Free public transport is available within the city centre.

Part-time employment

Student visa holders can work part-time up to 40 hours per fortnight whilst studying and work full-time during semester breaks. Jobs are generally in retail and hospitality.

Things to see and do in and around Perth

- Perth has some of the most pristine coastline in the world; in the metropolitan area alone there are over 80 kilometres of white sandy beaches with clear blue water – ideal for swimming, surfing, sailing and fishing.
- Perth's newest entertainment precinct 'Elizabeth Quay' connects the city back to the Swan River.
- The Perth Arena hosts live entertainment, music and sports events throughout the year. The state-of-the-art venue has a capacity of over 15,000 and attracts international artists from around the world.
- Every February the city hosts the Perth Fringe Festival, the longest running annual international multi-arts festival in the Southern Hemisphere.

FAST FACTS

Population	2.5 million Western Australia
Currency	Australian dollar (A\$)
Time zone	UTC/GMT +8 hours
Electricity	220–240 V
Language	English

- Kings Park is one of the largest inner-city parks in the world (larger than New York's Central Park) and home to Australia's largest wildflower show and exhibition.
- During the summer, locals enjoy relaxing with a picnic of great local wine and cheese at one of seven outdoor cinema complexes.

Further afield

- Rottneest Island, located 18 kilometres off the coast, is Western Australia's very own island getaway featuring picturesque scenery and some of the world's finest beaches and bays.
- World class surfing waves can be found in Western Australia's Margaret River region, which is also home to some of the world's most acclaimed wines.
- Stretching almost two kilometres out to sea, the Busselton Jetty south of Perth is the longest (and oldest) wooden jetty in the Southern Hemisphere. It is also listed as one of the top 10 dive sites in Australia.
- Just 30 minutes from Perth is the Swan Valley, Western Australia's oldest wine-growing region, the ideal destination for the gourmet traveller.

“In terms of support, ECC has been great! The teaching staff are very helpful, responding to all questions and queries. The two major advantages of studying at ECC are the amount of contact time with lecturers and the amazing ECU facilities.”

Adam Scott, Great Britain,
Communications and Creative Industries

Choose your program

Business

Students are equipped with the theory, practical experience and employability skills to succeed, including the leadership, teamwork, critical thinking, communication and problem-solving skills required in a wide range of business careers.

The Bachelor degree offers fourteen majors across a broad range of disciplines, all created in consultation with industry, with many being accredited and recognised professionally with the relevant industry bodies.

When transferring into the second year of the bachelor degree at ECU students can choose up to two majors, or a major and a minor, or, a major and a range of electives, providing great flexibility in the program and giving students the opportunity to tailor their degree to suit their career aspirations.

Students graduate from the degree not only job-ready but industry-ready, benefiting from practical work-based industry experience, networking opportunities and career portfolio development.

Location

ECU Joondalup Campus

Progression rules

Minimum 50 percent pass in all units.

Employment and career options

Corporate Accountant, Management Consultant, Economic Adviser, Financial Analyst, Human Resources Manager, Recruitment Consultant, Project Manager, Marketing/Sales Manager, Sport/Event Manager

Average starting salaries

According to research conducted by Graduate Careers Australia (graduatecareers.com.au) average national graduate starting salaries are:

- Accounting: A\$50,000
- Business Studies: A\$50,000
- Legal Studies: A\$60,000

Professional recognition

ECU's Business courses have been developed in consultation with industry, and are well regarded in the business world. The Accounting major in the Bachelor of Commerce is accredited by CPA Australia, Chartered Accountants Australia and New Zealand (CAANZ), and the Institute of Public Accountants. The Project Management course has been endorsed by the Australian Institute of Project Management (AIPM). These are just a few of ECU's many popular areas of study.

Note: Students intending to do a double major may be required to complete an additional unit when entering ECU to satisfy professional accreditation requirements.

Diploma of Business (Year 1)

CRICOS Course Code

092032G

Duration

8 to 12 months

Core units

- Workplace Communication - Employability
- Introductory Computing
- English Language Enhancement
- Introductory Mathematics
- Communication Skills
- Project Management
- Introductory Accounting
- Introductory Marketing

Diploma of Business (Year 2)

CRICOS Course Code

092032G

Duration

8 to 12 months

Core units

- Business Communication and Analysis
- Professional and Academic Communication
- Management

Enrol in five units based on your intended major(s) from:

- Accounting
- Economics
- Finance
- Information Systems for Business
- Legal Framework
- Rooms - Division Management
- Marketing Principles & Practices
- Quantitative and Statistical Techniques for Business
- Managing the Service Experience
- Introduction to Hospitality and Tourism

Second year of your ECU degree - Joondalup Campus

Students will be granted the following unit exemptions towards the respective degree at ECU.

- **Bachelor of Commerce** (majors in: Accounting, Accounting & Finance, Event Management, Finance, Hotel Management, Human Resource Management, International Business, Law in Business, Management, Marketing, Planning, Project Management, Sport Business, Tourism and Hospitality Management) 8 units (120 credit points)

[#] Additional entry requirements on page 18

Hotel Management

Students who successfully complete the ECC Diploma of Hotel Management are eligible for entry into the second year of the Bachelor of International Hotel and Resort Management at ECU.

This industry-based course is designed to provide students with the essential knowledge and competencies required in hotels and resort organisations.

When students progress into the second year of their bachelor degree at ECU, the course provides them with a fantastic opportunity to apply for a one semester industry internship placement with a leading hotel or resort business.

The internship is embedded into the curriculum and gives students the ability to gain the skills and experience needed to impress employers when they graduate.

Location

ECU Joondalup Campus

Progression rules

Minimum 50 percent pass in all units.

Employment and career options

Potential careers in: conference coordination, event management, food and beverage management, front office management, gaming supervision, hospitality business management, hotel/resort management, restaurant management.

Average starting salaries

According to research conducted by Graduate Careers Australia (graduatecareers.com.au) average national graduate starting salaries are:

Science (Computing / IT)

This program introduces you to computer science, software engineering, internet working technology, computer security, information technology (IT) and other emerging fields.

All computing programs at ECU are developed in consultation with the IT industry and have received the Australian Computer Society's highest level of accreditation (Level 1). ECU's computing and cyber security graduates are actively sought by national and international employers, working in some of the world's leading technology companies including Google, Facebook and Microsoft.

ECU's strong industry relationships ensure that its computing and IT courses are relevant and cutting edge in their field. Students from the degree programs have won or placed highly in national competitions and awards.

The Australian Federal Government has announced ECU will share \$1.9 million funding as one of just two Academic Centres of Cyber Security Excellence in Australia, and the only one in Western Australia.

Since 2001 more than 1000 cyber security professionals have graduated from ECU's cyber security program - one of the longest running undergraduate cyber security degree programs in Australia.

It is estimated that there will be a global shortfall of 1.5 million cyber security professionals by 2020.

ECU's Work Integrated Learning program offers high achieving students the opportunity to participate in work placements (unpaid) with State and Local Government bodies, financial institutions and local industries.

The University's computer labs contain state-of-the-art equipment and include specialist labs for wireless networking, computer security and digital forensics.

Location

ECU Joondalup Campus

Progression rules

Minimum 50 percent pass in all units.

Employment and career options

Potential careers in: computer incident investigation, computer programming, digital forensics information security, IT consulting, software engineering, systems administration, web management.

Average starting salaries

According to research conducted by Graduate Careers Australia (graduatecareers.com.au) average national graduate starting salaries are:

- Business Studies: A\$50,000
- Computer Science: A\$56,400

Professional recognition

Degree Graduates are ranked at professional level by the Australian Computer Society (ACS).

Diploma of Science (Computing/IT) (Year 1)

CRICOS Course Code

092035E

Duration

8 to 12 months

Core units

- Workplace Communication - Employability
- Introductory Computing
- English Language Enhancement
- Introductory Mathematics
- Communication Skills
- Project Management
- Information Design
- Introductory Applied Maths

Diploma of Science (Computing/IT) (Year 2)

CRICOS Course Code

092035E

Duration

8 to 12 months

Core units:

- Operating Systems
- Applied Communications
- Communicating in an IT Environment
- Systems and Database Design
- Computer Security
- Systems Analysis
- Programming Principles
- Computer Fundamentals

Second year of your ECU degree - Joondalup Campus

Students will be granted the following unit exemptions towards the respective degree at ECU.

- **Bachelor of Computer Science** (majors in: Cyber Security, Software Engineering) 8 units (120 credit points)
- **Bachelor of Information Technology** (majors in: Cyber Security, Software Engineering) 8 units (120 credit points)
- **Bachelor of Science** (Cyber Security) 8 units (120 credit points)

Science (Engineering Studies)

This program is specially designed for students wishing to enrol in the wide range of programs offered by ECU's School of Engineering.

The School of Engineering at ECU is one of the fastest growing engineering schools in Australia with world-class multi-million dollar facilities featuring purpose-built labs and project spaces.

The programs are structured heavily around practical learning and students have the opportunity to work with real hardware, not just simulation packages. Teaching facilities include advanced laboratories with modern industry standard equipment.

ECU students have the opportunity to develop industry links during the 12-week Engineering Practicum unit. This unit provides full-time employment (normally unpaid) under the supervision of an engineer in an approved work situation.

Partnerships with industry ensures students graduate job ready and develop strong industry contacts along the way. ECU is the only university in Western Australia offering specialist areas such as Motorsports and a combined course in Chemical and Environmental Engineering.

Location

ECU Joondalup Campus

Progression rules

Minimum 50 percent pass in all units.

Employment and career options

Potential careers in: automotive technology, civil engineering, computer systems engineering, control and automation engineering, electrical engineering, electronics engineering, mechanical engineering.

Average starting salaries

According to research conducted by Graduate Careers Australia (graduatecareers.com.au) average national graduate starting salaries are:

- Chemical Engineering: A\$68,500
- Civil Engineering: A\$63,000
- Electrical Engineering: A\$65,000
- Mechanical Engineering: A\$65,000
- Other Engineering: A\$64,000

Professional recognition

Accredited by Engineers Australia upon successful completion of the relevant ECU degree.

Diploma of Science (Engineering Studies) (Year 1)

CRICOS Course Code

092036D

Duration

8 to 12 months

Core units

- | | |
|---|------------------------------|
| • Workplace Communication - Employability | • Introductory Mathematics |
| • Introductory Computing | • Communication Skills |
| • English Language Enhancement | • Introductory Physics |
| | • Introductory Chemistry |
| | • Introductory Applied Maths |

Diploma of Science (Engineering Studies) (Year 2)

CRICOS Course Code

092036D

Duration

8 to 12 months

Core units:

- | | |
|---|-----------------------------|
| • Electrical Engineering 1A | • Engineering Mechanics |
| • Engineering Drawing and Computer Aided Design | • Linear Algebra |
| • Calculus | • Electrical Engineering 1B |
| • Introduction to Engineering | • Programming Fundamentals |

| • Introductory Applied Maths† | • Introductory Physics‡ |
| • Introductory Chemistry§ | |

Second year of your ECU degree - Joondalup Campus

Students will be granted the following unit exemptions towards the respective degree at ECU.

- **Bachelor of Engineering Honours** (disciplines available: Civil, Civil and Environmental, Chemical§, Chemical and Environmental§, Computer Systems, Electrical Power, Electrical and Renewable Energy, Electronics and Communications, Instrumentation Control and Automation, Mechanical, Mechatronics, Petroleum) 8 units (120 credit points)
- **Bachelor of Technology (Aeronautical)** 8 units (120 credit points)
- **Bachelor of Technology (Electronic and Computer Systems)** 8 units (120 credit points)
- **Bachelor of Technology (Motorsports)** 8 units (120 credit points)
- **Bachelor of Technology (Engineering)** (majors in: Chemical§, Civil, Mechanical, Electrical, Electronics and Communications) 8 units (120 credit points)
- **Bachelor of Engineering Science** 8 units (120 credit points)

†§ Additional entry requirements on page 18

Science (Health Studies)

This program will introduce you to the biological, social and cultural elements involved in health care, as well as providing foundation concepts to progress in your proposed areas of study. ECU offers a range of degrees that can lead to different careers in fields such as biomedical sciences, medical research and biochemistry, to name a few. The University has state-of-the-art health and wellness facilities, and their renowned undergraduate nursing program is the largest in Western Australia.

ECU Nursing students have access to simulated practice areas for scenario-based learning. On transfer to ECU, students will participate in clinical placements (unpaid) over the duration of the degree.

ECU's Bachelor of Science (Nursing) is fully accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC).

ECU's Psychology degrees are fully accredited by the Australian Psychology Accreditation Council (APAC) and have close links to industry.

Location

ECU Joondalup Campus

Progression rules

Minimum 50 percent pass in all units.

Employment and career options

Potential careers in: biomedical scientist, health care management, nursing, pharmaceutical sales, psychology, research.

Average starting salaries

According to research conducted by Graduate Careers Australia (graduatecareers.com.au) average national graduate starting salaries are:

- Nursing: A\$52,000
- Other Health Professional: A\$55,000
- Psychology: A\$50,000

Diploma of Science (Health Studies) (Year 1)

CRICOS Course Code

092037C

Duration

8 to 12 months

Core units

- Workplace Communication - Employability
- Introductory Computing
- English Language Enhancement
- Foundation Science
- Communication Skills
- Project Management
- Introductory Chemistry
- Introductory Mathematics

Diploma of Science (Health Studies) (Year 2)

CRICOS Course Code

092037C

Duration

8 to 12 months

Core units:

- Professional Conduct and Communication
- Human Structure and Function
- Cultural Studies
- Professional and Academic Communication (Health)
- Evidence Based Practice in Health

Nursing stream

- Foundations of Nursing
- Clinical Sciences Introduction
- Health and Healthcare Systems

Other streams:

- Introduction to Psychology
- Systems Physiology
- Introductory Statistics

Second year of your ECU degree** - Joondalup Campus

Students will be granted the following unit exemptions towards the respective degree at ECU.††

- **Bachelor of Science (Biomedical Science)** up to 6 units (up to 90 credit points)
- **Bachelor of Science (Nursing)**‡ up to 7 units (up to 105 credit points)
- **Bachelor of Arts (Psychology)** up to 8 units (up to 120 credit points)
- **Bachelor of Science (Psychology)** up to 8 units (up to 120 credit points)

Other Bachelor of Science majors are available at ECU. Credits and exemptions are assessed on a case-by-case basis.

ECU has a fixed quota for Nursing intake. Students that are not packaged with ECU risk missing out on a place in the next intake.

**††‡ Additional entry requirements on page 18

Post-Graduate Qualifying Program (PQP)

The Post-Graduate Qualifying Program (PQP) is a one semester non-award program designed to lead students into ECU's master degrees. The program is designed for students who already have tertiary qualifications but have not qualified for direct entry into ECU masters programs.

The program will equip students with graduate knowledge, skills and English Language Proficiency (ELP) for entry into masters degrees in the School of Business and Law at ECU.

The program is made up of four core units comprising three PQP units that embed and test academic rigour and language development, together with one discipline-based unit, for which ECU will award advanced standing on transfer to the University.

Students must pass all four units in no more than two semesters to qualify for entry into ECU.

Location

ECU Joondalup Campus

Progression rules

Minimum 50 percent pass in all units.

Post-Graduate Qualifying Program (PQP)

CRICOS Course Code

085336F

Duration

4 months

Core units

Students must complete all 4 core units

- Managing People and Organisations*
- Effective Communication
- Research Methodology
- Post-Graduate Preparation in Critical Thinking

Entry into the following ECU masters degrees - Mount Lawley Campus

- Master of Business Administration
- Master of Business Administration International
- Master of Finance and Banking
- Master of Human Resource Management
- Master of International Hospitality Management
- Master of Marketing and Innovation Management
- Master of Professional Accounting^{§§}
- Master of Project Management

Additional course specific entry requirements

* Advanced standing is granted for this unit.

Students selecting these majors will be required to present a portfolio and/or undergo an interview before progressing to their degree at ECU.

† These two units are additional units for students who have not completed the prerequisite study at Year 12 (or equivalent).

Introductory Applied Maths must be completed before progression to Calculus. Introductory Applied Maths and Introductory Physics must be completed before progression to Engineering Mechanics. These units are not recognised for advanced standing at ECU.

§ Students must have year 12 Chemistry or equivalent to enter this bachelor degree.

** To enter the Diploma of Science (Health Studies) (Year 2) leading to these degrees, you must have an IELTS score of 5.5 with no band less than 5.0, except for Nursing where you must have an IELTS score of 6.5 with no band less than 6.0.

‡ Students progressing to ECU's Bachelor of Science (Nursing) must achieve an IELTS score of 6.5 (with no individual band less than 6.5) before entry. Additional special requirements also apply for students progressing to this degree. See page 20 for details.

†† ECC Diploma of Science (Health Studies) (Year 2) students will be eligible to receive the diploma after successfully completing eight units. However, up to seven units will be credited towards a Nursing degree, up to six units will be credited towards a Biomedical Science degree and up to 8 units will be credited towards a Psychology degree. Students who do not receive the full 8 credits will need to complete additional units during their first year at ECU, which will usually extend the duration of their degree.

§§ Advanced standing is not available for this Master's degree

Your English language preparation

ECC provides English language programs for people from non-English speaking backgrounds and direct entry pathways for international students wishing to undertake university study at ECU and elsewhere.

ECC is renowned for its excellent teaching staff, high quality programs and outstanding facilities. Students have access to a wide variety of student services, support and activities, with the added advantage of interaction with Australian and international students studying degree courses.

The teachers at ECC are qualified and experienced in teaching English as a second language and many have taught overseas. They use a variety of teaching methods combined with a wide range of modern materials technology and resources to encourage active learning.

English language programs

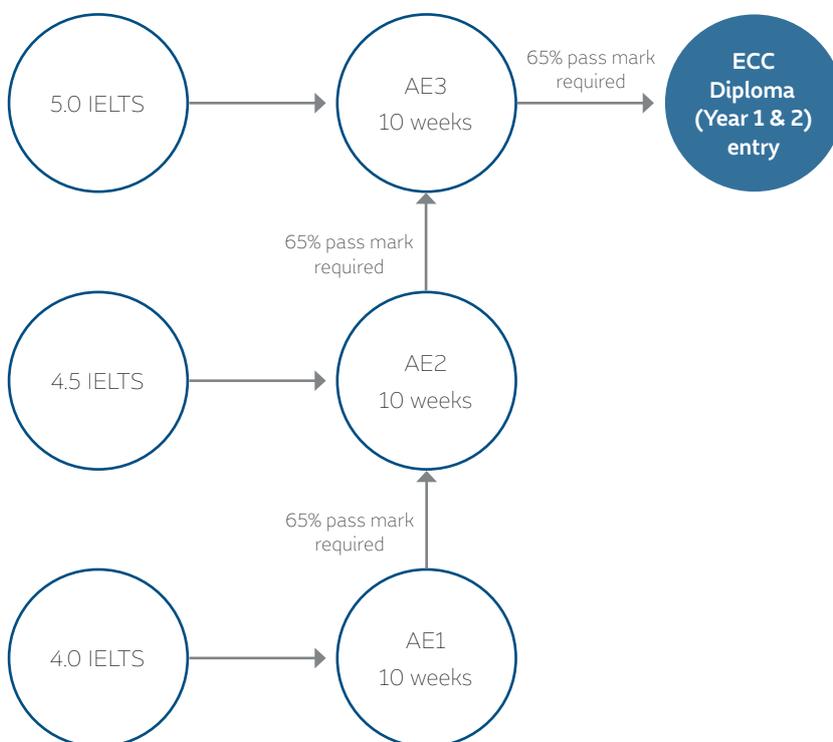

ECC offers the Academic English Program (AEP) which is designed for students who plan to study at an Australian University or who are interested in developing academic reading, writing, listening and communication skills.

The AEP is offered in 10 week blocks (intakes every 5 weeks) with nine fixed start dates per year, and is taught on ECU's Mount Lawley Campus. Classes are taught during the university's teaching hours from Monday - Friday.

Following successful completion of the required academic English level, students will not normally be required to take an English test for entry into ECC / ECU (excluding programs where IELTS is compulsory, such as Nursing).

The pass mark for each 10 week block of Academic English is 65%.

Academic English program entry requirements

Academic English program commencement dates 2018

- 5 February
- 12 March
- 23 April
- 28 May
- 16 July
- 20 August
- 1 October
- 5 November
- 10 December

Study breaks:

- 16-22 April
- 2-15 July
- 24 - 30 September
- 24 December - 7 January 2019

English language tuition fees for 2018

Program	CRICOS Course Code	Duration (weeks)	Tuition fee (A\$)	Materials fee (A\$)
Academic English (elementary to advanced)	071799A	10	\$440/week	\$115
		20	\$440/week	\$185
		30-40	\$420/week	\$215
		41-50	\$410/week	\$295

Your admission requirements

The minimum English and academic requirements for entry to ECC's Diploma and PQP programs are outlined on pages 20–23. ECC has established minimum English and academic requirements for its programs however, each application will be assessed on its individual merits.

Not all qualifications or countries are listed, so if you have other qualifications you should attach certified transcripts to your ECC application form. The College may issue a conditional Letter of Offer based on forecast or preliminary results, where appropriate.

Mature-age entry

Mature-age students (aged 20 or above) may be considered for entry into a program without meeting the formal academic requirements.

Applicants will need to provide evidence of relevant work experience, other acceptable qualifications, or workplace learning.

Credit transfer

Applicants who have undertaken recognised studies may be eligible for exemptions (also known as credits).

To be considered, applicants must provide certified copies of academic transcripts and detailed subject syllabus. For more information, please visit edithcowancollege.edu.au/exemptions

English language requirements

Applicants must be able to demonstrate their English language proficiency before they enter an ECC program. The College may also ask selected students to sit our internal English test to demonstrate their English proficiency, at no cost. Applicants who do not meet the English language requirements of their chosen program may be able to enrol in ECC's Academic English Language Program (AEP).

English entry requirements

Program	Diploma (Year 1) (excluding Nursing. See Special English entry requirements below)	Diploma (Year 2) (excluding Nursing. See Special English entry requirements below)	Post-Graduate Qualifying Program (PQP)
IELTS (Academic)	5.5 with no band less than 5.0	5.5 with no band less than 5.0	6.0 with no band less than 6.0
TOEFL Internet Based Test	60	60	79

Please note: English language requirements may vary according to Department of Immigration and Border Protection (DIBP) requirements.

Special English entry requirements for Nursing

Program	Special requirements
Diploma of Science (Year 1) - Health Studies / Nursing stream	Students must have an overall IELTS 6.0 with no band less than 5.5; or, TOEFL (iBT) 70, with no score less than 17; or, PTE-A 57, with no communicative skill less than 50; or OET with a minimum C in all components.
Diploma of Science (Year 2) – Health Studies/Nursing	<p>Students must have an overall IELTS 6.5 with no band less than 6.0; or, TOEFL (iBT) 84, with no score less than 17; or, PTE-A 64, with no communicative skill less than 58; or OET with a minimum B in all components.</p> <p>To qualify for ECU's Bachelor of Science (Nursing), international students must provide current evidence of an overall IELTS 6.5 with no band less than 6.5; or, TOEFL (iBT) 84, with no score less than 17; or, PTE-A 64, with no communicative skill less than 58; or OET with a minimum B in all components.</p> <p>Upon successful completion of the Bachelor of Science (Nursing), students will be eligible to register with the Nursing and Midwifery Board of Australia (NMBA). To register, all international graduates must provide evidence of an overall IELTS score of at least 7.0 in all four bands of IELTS, with an overall band of at least 7; or a B pass or above in all four sections of the Occupational English Test (OET) Nursing Version. Applicants must achieve the above scores in a single test, which has been completed no more than two years before their application for NMBA registration.</p> <p>For more information visit nursingmidwiferyboard.gov.au.</p> <p>All Nursing graduates must be registered with the Nursing and Midwifery Board of Australia to be able to work in Australia.</p>

“I chose to study at ECC as it offers a pathway into ECU, equivalent to the first year of university. The small class sizes, fast track option and extra one-on-one time with my lecturers are the major advantages.”

Ariana Zaralia Ari, Indonesia, Communications

Your academic entry requirements

Please note: This information is subject to change. Please visit edithcowancollege.edu.au/admissions-requirements for current entry requirements.

Country	Diploma (Year 1)*	Diploma (Year 2)*
Australia	Year 11 with a minimum 50% in 4 WACE subjects, plus a minimum C grade in English	Completion of Year 12 (assessed individually)
Bahrain	General Certificate of Education with a minimum average of 50%	Completion of 1 year of recognised tertiary studies
Bangladesh	Secondary School Certificate with a minimum average of 50%	Higher Secondary School Certificate with a minimum average of 50%
Bhutan	Bhutan Secondary Education Certificate with a minimum average of 50%	Bhutan Higher Secondary Education Certificate with a minimum average of 50%
Brazil	Certificado de Ensino Medio with an average of 6.0 in 4 subjects	Certificado de Ensino Medio with an average of 7.0 in 4 subjects
China	Senior Middle 2 (Gao Er) with a minimum average of 50%	Senior Middle 3 (Gao San) with a minimum average of 70%
Colombia	Bachillerato with a minimum average of 65%	Bachillerato with a minimum average of 70%
Egypt	General Certificate of Education with a minimum average of 50%	Completion of 1 year of recognised tertiary studies
Hong Kong	Senior Secondary 2 with an average of 50% in 4 academic subjects	Hong Kong Diploma of Secondary Education (HKDSE) with a minimum 7 points
India	Not applicable	Higher Secondary Certificate (10+2) from CBSE with a minimum average of 50%, or from PSEB with a minimum average of 60%
Indonesia	SMU 2 with a minimum average of 7.0 or 70%	SMU 3 with a minimum average of 7.0 or 70%
International Baccalaureate	Year 1 Diploma	Minimum of 20 in 6 IB subjects
Iran	Completion of High School Diploma or Peeshdaneshegahe	Completion of Peeshdaneshegahe
Japan	Completion of Kotogakko Year 2	High school graduation with an average of 2.5
Jordan	General Certificate of Education with a minimum average of 50%	Completion of 1 year of recognised tertiary studies
Kenya	GCE O-Levels with a minimum of 4 passes	Kenya Certificate of Secondary Education (KCSE) with a minimum C grade average
Korea	High School Leaving Certificate Year 2 with a D-grade average	High School Leaving Certificate Year 3 with a C-grade average
Kuwait	General Secondary School Certificate with a minimum average of 50%	General Secondary School Certificate with a minimum average of 70%
Macau	High School Leaving Certificate Year 2 with a D-grade average	High School Leaving Certificate Year 3 with a C-grade average
Malaysia	Sijil Pelajaran Malaysia (SPM) with a minimum of 4 passes	Sijil Tinggi Persekolahan Malaysia (STPM) with a minimum 2 passes or Unified Examination Certificate (UEC) with a minimum 2Bs and 2 Cs or Nilai Gred Mata Pelajaran (NGMP) with a minimum average of 2.0
Mauritius	GCE O-Levels with a minimum of 4 passes	2 passes in GCE A-levels, or 1 A-level and 2 AS-levels
Myanmar	Matriculation Examination Pass Certificate	Completion of 1 year of recognised tertiary studies
Nepal	Secondary Certificate with a minimum average of 50%	Higher Secondary Certificate with a minimum average of 50%
New Zealand	NZ Form 6 or NCEA Level 2 (80 credits)	NZ Form 7 or NCEA Level 3 (42 credits) in university subjects from Level 3
Oman	General Certificate of Education with a minimum average of 50%	Completion of 1 year of recognised tertiary studies
Pakistan	Secondary Certificate with a minimum average of 50%	Higher Secondary Certificate with a minimum average of 50%
Philippines	High School Diploma or NCEE National College Entrance Examination or Grade 11 with a minimum average of 60%	NCEE with a minimum of 80%
Russia	Certificate of Secondary Education Grade 11 with a GPA of 3.5	Diploma of Completed Specialised Secondary Education
Saudi Arabia	General Certificate of Education with a minimum average of 50%	Completion of 1 year of recognised tertiary studies
Singapore	GCE O-Levels with a minimum of 4 passes	2 passes in the GCE A-levels, or 1 A-level and 2 AS-levels

Country	Diploma (Year 1)*	Diploma (Year 2)*
South Africa	Year 11 with a minimum average of 60%	Aggregate D in National Senior Certificate or Matriculation with a minimum 3 passes in higher level subjects
Sri Lanka	GCE O-Levels with a minimum of 4 passes	2 passes in the GCE/SL A-levels, or 1 A-level and 2 AS-levels
Sweden	2 years of Upper Secondary schooling	Upper Secondary School Leaving Certificate (Slutbetyg) 10 points
Taiwan	Senior High School (Year 2) with a 60% average	Senior High School with 60% in final year results (Year 3)
Thailand	Completion of Matayom 5 with a GPA of 2.5	Completion of Matayom 6 with a GPA of 2.0 in relevant academic subjects
Turkey	Devlet Meslek Lise Diploması: Completion of High School Certificate	Devlet Meslek Lise Diploması/Lise Diploması/On- Lisans Diploması: Grade 3 (60%) and above
United Arab Emirates	GCE O-Levels with a minimum of 4 passes	Completion of Technical Secondary Diploma
Vietnam	Year 11 with a minimum average of 6.0	Year 12 with a minimum average of 6.0
Malawi, Tanzania, Uganda Zambia, Zimbabwe	GCE O-Levels with a minimum of 4 passes	2 passes in the GCE A-levels, or 1 A-level and 2 AS-levels

* For countries not listed above please contact the ECC admissions department for entry requirements.

Post-Graduate Qualifying Program (PQP) academic entry requirements

Country	Post-Graduate Qualifying Program (PQP)
Bangladesh	Honours Bachelor degree (3 years) awarded by a Section 1 institution. Honours Bachelor degree (4 years) awarded by a Section 2 institution.
China	Three year post-secondary studies (with Bachelor qualification) from a regular institution; or Four year post-secondary studies (without a Bachelor qualification) from a regular institution; or Four-five year post-secondary studies (without a Bachelor qualification) from a junior college
India	3 year Bachelor degree awarded in 3rd or Pass Division or Class by a Section 2 institution; or 3 year Bachelor degree awarded in 2nd, 3rd or Pass Division or Class by a Section 3 institution.
Indonesia	A Sarjana (S1), awarded by a Section 1 institution in or after 1998 following a program identified as accredited by BAN-PT with a rating of C - at least eight semesters (four years) of full-time study (144-160 credits) Diploma III from Section 1 - three years full-time (110-120 credits) with minimum rating of A or B
Korea	Completion of a Bachelor degree (Haksa)
Nepal	3 year Bachelor degree awarded by a Section 1 institution at pass division or second division
Pakistan	A Bachelor degree awarded by a Section 1 institution requiring three years of full-time study in any division or grade for a 3 year Bachelor. An Honours Bachelor degree awarded by a section 2 institution in either the second or third division or with a letter grade of C or D requiring at least three years of full-time study.
Saudi Arabia	Completion of a Bachelor degree from a Higher or Private Institution (assessments are made on a case-by-case basis) A Bachelor degree from a teacher college 4 year full time duration with a grade of pass or good
Thailand	Completion of a Bachelor degree with a GPA of 1.75 or better
Vietnam	A Bang Tot nghiep Dai hoc (University Graduation Diploma) awarded by a Section 2 institution with the title of Bang Cu nhan (Bachelor degree) or a professional title, such as Ky su (Engineer), or Bac si Y khoa (Physician) requiring four years of regular, full-time study (Chinh Quy)

For countries not listed above please contact the ECC admissions department for entry requirements.

Your investment

Fees and charges for 2018 academic year

Program	Duration	Total program fees for international students (A\$)*	Total program fees for Australian citizens and permanent residents (A\$)*
Diploma (Year 1) all streams	2 or 3 trimesters	\$21,300	\$12,500
Diploma of Business (Year 2)	2 or 3 trimesters	\$28,400	\$12,700
Diploma of Communications and Creative Industries (Year 2)	2 or 3 trimesters	\$27,800	\$12,700
Diploma of Hotel Management (Year 2)	2 or 3 trimesters	\$28,400	\$12,700
Diploma of Science (Computing/IT) (Year 2)**	2 or 3 trimesters	\$28,800	\$12,700
Diploma of Science (Engineering Studies) (Year 2)**	2 or 3 trimesters	\$26,200	\$13,800
Diploma of Science (Health Studies) (Year 2)	2 or 3 trimesters	\$29,200	\$13,800
Post-Graduate Qualifying Program (PQP)	1 semester	\$12,000	

* All listed tuition fees are indicative only and are subject to change.

** Additional fees apply for students who are required to complete pre-requisite units.

Program fees include:

- tuition (half of the fees for the first course plus Overseas Student Health Cover is payable on enrolment. Subsequent trimester fees are payable two weeks before the start of each trimester)
- English support and academic skills seminars relevant to Australian study methods
- an orientation program and student mentor
- access to library, computing, sporting and social activities
- student counselling and academic assistance as required
- unlimited internet downloads for coursework

Program fees do not include:

- accommodation
- meals and transport
- entertainment
- textbooks, stationery and printing
- health cover
- visa processing fee
- airfares
- lab clothing, shoes and equipment for Science students

FEE-HELP - important information for Australian students

FEE-HELP is an Australian Government loan scheme for eligible, full-fee-paying students to help pay all or part of their tuition fees. The scheme is open to any student who is an Australian citizen and is studying with an eligible higher-education provider such as ECC.

A student may pay a maximum of \$100,879 (indexed at 1 January each year) in tuition fees using FEE-HELP over their lifetime, depending on the programs they undertake. Students repay their loan through the tax system once their income is above the minimum threshold for compulsory repayment.

If you are eligible for FEE-HELP and would like to use FEE-HELP to pay your tuition fees, you will need to complete a form and submit this with your acceptance of offer documents. FEE-HELP forms are available through ECC.

For more information, contact us at info@edithcowancollege.edu.au or visit studyassist.gov.au and follow the links.

Your academic calendar

ECC diploma programs are offered over three trimesters per year, starting in February, June or October. PQP students can enter in either of two semesters per calendar year, starting in February or July.

Year	Intake	Orientation	Trimester start date	Mid-trimester break	Trimester end date
Diploma programs					
2017	October	18 October	23 October	23 December to 7 January 2018	2 February 2018
2018	February	21 February	26 February	30 March - 5 April	1 June
	June	20 June	25 June	20–26 August	28 September
	October	17 October	22 October	24 December to 6 January 2019	1 February 2019
Post-Graduate Qualifying Program (PQP)					
2018	February	21 February	26 February	2–15 April	15 June
	July	18 July	23 July	1–14 October	16 November

How to apply

You can apply at any time either directly to ECC or through an authorised ECC representative in your home country.

Early application and payment will secure your place in your chosen program and allow you enough time to obtain your student visa and attend orientation.

Your application can be completed in four easy steps below.

Step 1

- Choose the program you wish to study
- Check you meet the English and academic entry requirements listed on pages 20 - 23

Step 2

Prepare your supporting documentation:

- Certified copies of all academic qualifications (including school reports and official examination certificates translated into English)
- Certified copies of English test results or other evidence of English competency (if applicable)
- Certified copy of your passport, visa or birth certificate (if required)
- Any relevant employment documents (if applicable)

Step 3

- Complete an online application form using the 'Apply Today' button on the ECC website (ensure you upload your supporting documentation for accurate assessment) OR
- Apply through an authorised ECC representative in your home country - edithcowancollege.edu.au/representatives

Step 4

If your application is successful you will receive an ECC Offer which will include:

- Details of your offer
- How to accept your offer
- Conditions on your offer
- Payment details in order to receive COE's and apply for your student visa

Personal details (as shown in passport)

<input type="checkbox"/> Recommended by an education agent
<input type="checkbox"/> Internet, please specify: _____
<input type="checkbox"/> Other (please specify): _____

Declaration

I declare the information I have supplied on this form is, to the best of my understanding and belief, complete and correct. I understand that giving false or incomplete information may lead to my application being refused or my enrolment cancelled. I have read and understood the relevant program information in this brochure and/or on the ECC website and I have sufficient information about ECC to enrol. I understand that the pathway may lead to future studies at ECU, subject to ECU's entry requirements.

I understand that ECC fees may increase. I accept liability for payment of all fees as explained in the ECC brochure and/or website, and I agree to abide by the Refund policy as outlined in edithcowancollege.edu.au/policies. I have read the information about living expenses on page 9 and I understand that living expenses in Australia may be higher than in my own country. I confirm that I am able to meet these expenses. I have understood and I accept the Enrolment Terms of Offer at edithcowancollege.edu.au/policies. I understand that ECC may, by written notice, vary its conditions as may be necessary to comply with any law or regulation, or amendment of any law or regulation, of the Commonwealth of Australia or the State of Western Australia. I give permission for ECC and ECU to obtain official records from an educational institution attended by me, and to supply my contact details and any relevant official records to educational institutions I am eligible to gain admission to. I authorise ECC to provide my personal information, including my contact details and enrolment details, to third parties in accordance with ECC's Privacy policy. These third parties include ECC representatives (agents) acting on my behalf; ECU (to facilitate progression from ECC to the next stage of my studies); sponsors and Navitas Limited and its affiliates (to communicate pathways and services offered by Navitas Limited and its related companies). In the event of circumstances requiring urgent medical care and where it is not possible to contact next-of-kin, ECC is authorised as a matter of urgency to seek appropriate medical care.

International students only: I understand that it is my responsibility to maintain valid Overseas Student Health Cover (OSHC). I also understand that if I am no longer enrolled at ECC, my OSHC membership can be transferred. I understand that if I have applied through an approved ECC/ECU agent, all correspondence relating to my application will be forwarded to that agent. In the circumstances of any suspected breach of my student visa conditions, I authorise ECC to provide my personal information, including my contact details and enrolment details, to the Australian Government's designated authorities, and the Tuition Protection Service (TPS).

Health Protection: I give permission for ECC to obtain records and information from my current OSHC provider (if applicable). I also agree that ECC is able to exchange information with my OSHC provider with respect to meeting my visa requirements and maintaining my OSHC cover.

I understand that any conditions concerning an offer of admission will be contained in my letter of offer from ECC, which I will be required to read and sign.

Applicant's signature:

(must be the same signature as in your passport)

Date: DD / MM / YYYY

If you are under 18 years of age, your parent or guardian must also sign this application form.

Parent's/guardian's signature:

Date: DD / MM / YYYY

*Unsigned applications cannot be processed. Agents cannot sign on an applicant's behalf.

Education for your world

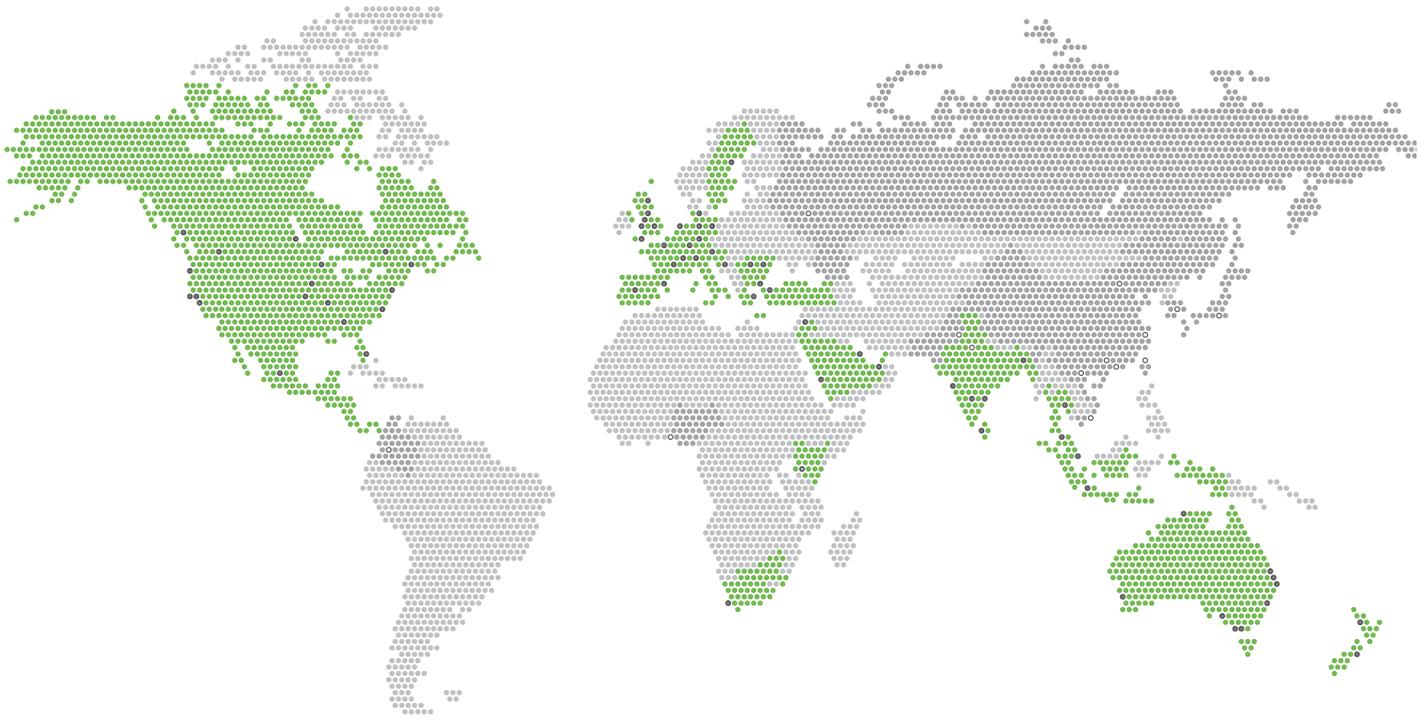

Navitas provides you with the education you need, to get where you want to be in life. From English language skills and courses to help you enter university, to training for the workplace, Navitas colleges and campuses in 28 countries will support you every step of the way.

With over 120 Navitas and SAE Institution locations across the globe, and over 80,000 students currently studying with us, we understand the world's learning needs. We've become one of the most trusted providers of education and training in the world.

Navitas offers to students, professionals and migrants from around the world, the following opportunities:

- English language training
- High school studies
- University preparation and programs
- Post-secondary education for creative media technology
- Career advancement programs
- Student recruitment
- Internship programs
- Migrant settlement services

We also offer customised workplace training for companies, and a range of training and settlement services for the Australian Government. Wherever you are, and wherever you want to be, the knowledge and resources of our staff around the world will ensure your success.
