### 1. Overview

- 1.1. This policy outlines the procedures for granting 'Recognition of Prior Learning' (RPL) towards ECC Units.
- 1.2. This policy aligns with requirements set out in the:
  - Education Services for Overseas (ESOS) Act 2000 and the National Code
  - National quality assurance frameworks including:
    - Australian Qualifications Framework (AQF)
    - TEQSA's Higher Education Standards Framework (Threshold Standards)
    - ASQA's Vocational Education and Training (VET) Quality Framework and Standards for Registered Training Organisations (RTO)

### 2. Organisational Scope

- 2.1. This policy applies to ECC students who are intending to enrol in Units of study or who are currently enrolled in Units of study offered by ECC.
- 2.2. Unit Credit may be granted towards an ECC Course for assessable learning outcomes achieved through Formal Learning and /or Informal Learning, work related experience and/or life experience, to an extent that is consistent with maximising student progression while maintaining established academic standards.

### 3. Definitions

- 3.1. **Advanced Standing:** see Unit Credit.
- 3.2. **AQF (Australian Quality Framework):** the system that defines and recognizes a hierarchy of educational qualifications in Australia. It links school, vocational education/training and higher education sectors, and promotes mutual recognition of learning outcomes.

- 3.3. **ATSI:** Refers to Aboriginal and Torres Strait Islander people.
- 3.4. **Award:** An accredited course approved by the national regulator and for which there is formal recognition from other Registered Training Organisations (RTO) or Higher Education Providers (HEP).
- 3.5. **COE (Confirmation of Enrolment):** a document registered with DIBP confirming a student's acceptance into a particular course for a specified duration.
- 3.6. **Course:** a formal program of education and/or training made up of study components known as Units.

A request for RPL may result in the applicant meeting the entry requirements for an ECC Course or being granted Unit Credit for a Unit within a ECC Course.
- 3.14. **Standards for NVR Registered Training Organisations 2011:** forms part of the VET Quality Framework whose objectives are to ensure nationally consistent, high-quality training and assessment services for the clients of Australia's vocational education and training (VET) system.

It has a recognised set of integrated components for training and assessment for a specific industry, industry sector or enterprise that is used to develop and recognise a person's competencies
- 3.16. **Unit:** A discrete component of study (also called a module) within a Course.
- 3.17. **Unit Credit (also called Advanced Standing or Exemption):** where a student is not required to study a particular Unit on the basis of prior learning (Formal or Informal) where that learning is assessed as being equivalent to the learning outcomes or competencies of one or more ECC Units.

### 4. Policy Principles

4.1. ECC will recognise prior learning in the form of:

- Units completed towards an accredited Course at any Australian University, Higher Education Provider, TAFE or Registered Training Organisation;
- Units completed as part of an overseas course recognised by the National Office of Overseas Skills Recognition (NOOSR);
- Non-accredited or Informal study/learning, professional/work experience, volunteering or life experience;

where the prior learning is assessed by ECC as equivalent to learning outcomes and/or competencies of a ECC Unit.

4.2. Equivalence of learning outcomes and competencies will be assessed in line with standards set by the AQF, Edith Cowan University and/or relevant professional bodies.

4.3. ECC policies and procedures support participation by Aboriginal and Torres Strait Islander (ATSI) people and are sensitive to ATSI knowledge and culture. As such, ECC may recognise alternative forms of RPL which are targeted at improving access for ATSI students or others who may be experiencing disadvantage in accessing and participating in education. To that end, the Entry Portfolio process may be applied.

### 5. Policy Content

5.1. To be eligible for RPL, previous study and/or experience must be current. That is, the study and/or experience must have been completed within a period of time that is no longer than three times the length of the course for which the student is seeking Unit Credit. (eg: Unit Credit for a Unit in a one year Diploma must have been completed within the previous three years). A shorter time-limit for eligibility may apply for disciplines where the body of knowledge changes more rapidly.

5.2. Applicants should apply for RPL prior to commencement of an Award at ECC. RPL applications can take several weeks to make appropriate investigations and ensure that they are assessed by suitably qualified assessors.

5.3. Applicants are responsible for providing appropriate evidence to support their RPL claim. Such evidence includes:

5.3.1. Certified copies of academic transcripts and/or qualifications with approved English language translations (if applicable)

5.3.2. Certified copies of full Unit outlines describing detailed contents of learning outcomes, assessments and other course materials. Such evidence must demonstrate equivalent academic rigour (quality, time frame, depth of study and content) with least 70% overlap to the relevant ECC Unit course contents.

5.3.3. Evidence to support informal learning RPL applications should include a Portfolio of Evidence, Where there is insufficient evidence to assess an informal RPL application, applicants may be interviewed and subject to passing an examination

5.3.4. Other evidence as deemed appropriate by the Academic Director (or nominee) in accordance with the criteria, conditions, policies and practices established under ECC's academic governance structures and the respective AQF standards.

5.3.5. Approval of RPL for courses assessed in a language other than English will be approved on a case by case basis.

## Recognition of Prior Learning (RPL) Policy

5.4. Students may apply for RPL where they have successfully completed Units at a similar level and standard in previous studies. A pass is considered to be 50% or higher. A near pass grade (less than 50%) is not considered to be successful completion of a Unit.

5.5. Applicants must successfully complete:

5.5.1. At least the equivalent number of Units equal to the difference between the Unit Credits granted and the number of Units required for that Award.

- An ECC Award will only be granted where the RPL applicant has successfully completed at least 50% of the course with ECC.
- If the applicant completes less than 50% of the course with ECC, he/she is entitled to an academic transcript but not an Award.

5.5.2. This rule does not apply to RPL granted for a nationally endorsed Training Package.

5.6. Students who enroll in Diploma courses may be eligible for a maximum number of units of advanced standing.

	<b>Completed only Year 11</b>	<b>Completed only Year 12</b>	<b>Completed AQF 5 Equivalent Units</b>
<b>Diploma (Year 1) 8 units (120 credit points)</b>	No advanced standing	Up to 8 units (120 credit points) advanced standing	8 units (120 credit points) advanced standing
<b>Diploma (Year 2) 8 units (120 credit points)</b>	No advanced standing	No advanced standing	Up to 4 units (60 credit points) advanced standing

5.7. Students will be notified in writing of any Unit Credit granted.

5.8. All documentation including student's acceptance of the Unit Credit granted will be placed on the student file.

5.9. Where Unit Credit is granted prior to Course enrolment, the actual Course duration will be recorded on the CoE by ECC Admissions staff.

5.10. Where Unit Credit is granted after enrolment, the change of Course duration will be reported via PRISMS under Section 19 of the ESOS Act.

5.11. Where an ECC student is approved to change his/her Course prior to its completion but after completing one or more Units, they may transfer Unit Credits to the new Course where those Units will count towards the requirements of the new Course.

5.12. ECC reserves the right to cancel any enrolment and/or RPL where it is deemed that the student has presented false or misleading documentation relating to their RPL application. In cases which result in cancellation of enrolment, the rules relating to serious misconduct applies with respect to the ECC Refund Policy.

5.13. Should a student seek RPL for a Unit in which he/she is currently enrolled and not making satisfactory progress, the RPL application will not be approved.

### Fees

- 5.14. Where an applicant seeks and is granted RPL prior to enrolment or up to Week 4 of their course, the fee for that Unit will be refunded. If the RPL application is submitted after Week 4 of trimester, Unit Credit may be granted, however it does not qualify for a refund of Unit fees.
- 5.15. No fees are charged for assessing students for RPL or Unit Credit transfer for entry into ECC Higher Education courses.

### Appeal against RPL Decisions

- 5.16. Applicants who wish to appeal the outcome of the RPL application should refer to the Complaints and Appeals Policy.
